Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P.M. on Tuesday, May 2, 1961, a Recess shall be taken at that hour until 7:45 P.M. Should further time be required, Convention shall meet again on Wednesday, May 3, 1961, at 9:00 A.M.

The Rev. Harold A. Hopkins presented the Report of the Committee on Arrangements which was adopted.

Seats have been found for all Deputies. However, due to an influx of new Parishes and Missions, there is overcrowding in several instances. If you are unable to find space in the seat assigned to you, you are at liberty to take the nearest available seat. Please remember that only authorized Deputies are entitled to seats on the Convention floor. All others must sit in the gallery.

A public address system has been installed and microphones have been placed in the three aisles for use of the Deputies. Please use the nearest microphone when speaking to the Convention.

There will be no luncheon provided.

The Secretary read the Canon of Courtesy as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Dioceses of this Church, Candidates For Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Episcopal Community Services, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

WHEREAS on the 4th of February, 1787, in Lambeth Palace Chapel, England, William White, Priest and Patriot, was consecrated in the Church of God, being the first American so consecrated in the English line of succession,

AND WHEREAS he was largely responsible for the formation of the Diocese of Pennsylvania and in the organization of the Protestant Episcopal Church in the United States of America, and became its first Presiding Bishop,

AND WHEREAS he was instrumental in drafting the Constitution of the Protestant Episcopal Church in these United States, and incorporated the note that laity have an equal voice with the clergy in the affairs of this Church, and that there be a bicameral form of government paralleling that of our Federal Government,

THEREFORE BE IT RESOLVED that the Diocese of Pennsylvania assembled at its 177th Annual Convention respectfully request the Bishops of this Diocese that they make appropriate recognition of this notable anniversary and that they urge the Parishes of this Diocese to commemorate in 1962 the fact that on Easter Even, 175 years ago, William White brought the Episcopate to Pennsylvania and became its first Bishop.

Long, D.D., and I would like him to come to the microphone. As we all know Dr. Long has, throughout his entire ministry, helped most usefully in all phases of work of the Diocese and during the last 20 years has been an efficient Secretary. His patient, untiring efforts have been matched by his genial, friendly, and happy personality, which we have greatly enjoyed. This Convention heartily commends, as a wholly practicable, desirable, and conservative method, recently used in many provinces of the Anglican Communion for testing the actual value of a liturgical text or form in

advance of its final approval, the proposal of The Standing Liturgical Commission made in its reports to The General Conventions of 1955 (Jnl. 377-379) and 1958 (Jnl. 487-489), for the amendment of Article X of the Constitution of The General Convention, this proposal reading as follows:

". . . the General Convention may at any one meeting, by a majority of the whole number of Bishops entitled to vote in the House of Bishops and a majority of each order in the House of Deputies, . . . Authorize for trial use throughout this Church, as an alternative at any time or times to the established Book of Common Prayer or to any section or Office thereof, a proposed revision of the whole Book or of any portion thereof, duly undertaken by the General Convention . . ."

O Almighty God, who hast called us to faith in thee and hast encompassed us about with so great a cloud of witnesses; We thank thee for all those who have walked humbly with thee, and especially for these whom we remember at this service. May we know that in the body or out of the body, they are with thee. Make us glad in their living; comfort and teach us through their dying. Unite us still, O God, in one household of faith and love, one family in heaven and upon earth. Fit us in our generation to carry on their work on earth till we are ready for more perfect union with them above. Dedicate us to the joyful service of Thy will; and own us as Thy children in time and in eternity, through Jesus Christ our Lord. Amen.

During the year we were saddened by the death of Robert T. McCracken, my former Chancellor. Mr. McCracken rendered invaluable service to the Diocese as its Chancellor and Deputy to General Convention, in addition to his services to his own parish, St. Peter's, Germantown. I shall always remember with great gratitude his kindness to me personally and his magnificent work as Chancellor.

Mr. Frank Fell has been untiring in his work as Secretary of the Committee for the Endowment of the Episcopate. I have been advised from time to time that I should let the members of the Diocese know about this Fund. Mr. Fell, as Secretary of the Fund, has written over 6,000 letters to members of this Docese for that express purpose! We shall always be most grateful to Mr. Fell for his fine and efficient work.

One of the sad things that occurs is to see the changes that take place in such a large diocese as this. At this Convention, we are faced with some very important changes. Mr. Frederick R. Drayton, who has been such an efficient and devoted Treasurer of the Diocese feels that he should not be re-elected. We shall certainly miss him at our meetings of the Executive Council, and his place will be very hard to fill.

Mr. E. Osborne Coates is planning to retire as Executive Vice-President of the Church Foundation this coming summer. Mr. Coates has rendered very valuable service in this capacity. The Church Foundation plays a most vital part in the life of the

Diocese, and it is extremely important to have its affairs managed carefully and efficiently. I deeply appreciate all that Mr. Coates has done in his position as full-time Executive Vice-President of the Church Foundation.

The Diocese must also elect a new Secretary to replace Dr. Long, who will retire this summer. Dr. Long has been the Secretary ever since I came to the Diocese and it will be hard to think of the work at the Church House without him. He reaches the compulsory retirement age on July 7, but has agreed to serve on a part-time basis until the early fall. We must find a suitable successor by that time.

The Overseas Missionary Society held its Annual Convention with us in January. This is a grass roots movement and has no official connection with the National Council. It is indicative of a desire on the part of our people for a more vital missionary program, by stimulating better information, deeper thought, increased prayer, greater zeal, renewed strategy and more responsible giving. The Church has but one mission to the world, and every Christian, by virtue of his baptism, is an integral part of it.

Mr. Jack Chapin, a layman on the staff of the Diocese of Michigan, made this statement: "Can we convert our Bishops? Does the Bishop truly work to make his diocese aware of the mission of the Church; informed about it; support it? Does he have a plan that says—this is 1961; between now and eighteen months from now, our plan is to make everbody in this diocese really informed about the mission of the Church; the world in which we live; the responsibilities we face; and how we are going to staff and support this work. On the parish level, is every member of a confirmation class informed, fired-up, and committed to the world-wide mission of the Church?" The special responsibility for prosecution of the missionary work in this diocese rests with the Department of Missions of the Executive Council. This department plans the strategy and allocates the funds for our diocesan Missions.

Mr. Chapin went on to say, "I have been involved with diocesan publications for some years. I have talked to a majority of the national diocesan editors in the country personally and most of the stories we print are horrible. They are poorly laid out. They are poorly written, and they are irrelevant to the audience they reach. I have seen hundreds of parish bulletins and they are terrible. Most of our parish bulletins are concerned with announcing which parish group meets when—to do what, while we burn up in Laos."

Mr. Chapin has given us a great deal to think about. I am sure

that the editors of our diocesan *Church News* are making every effort to have the news relevant to the people of our diocese. The *Church News* now goes into every home in the diocese, and I hope that it is being read. I am sure that the editors would appreciate any constructive criticism that you would be willing to make to them.

I have been asked by several people in the Diocese to call your attention to the support of our Divinity Schools. As you know, an offering for this purpose is taken in our Church throughout the country on the Sunday nearest St. Paul's Day, January 25. This year, due to the inclement weather, the offering was much smaller than usual. Lay people have expresed the thought that such an important offering should not be left to one Sunday. Where conditions are such that a generous offering is not made on that particular Sunday, the people of our parishes should be given a real opportunity to show their interest in theological education. I appreciate the concern of our lay people, and I hope that the Clergy and Vestries will help me in bringing this important matter home to our people. A great deal of progress has been made in the past fifteen or twenty years. As a matter of fact, the offering for my own seminary, the General Theological Seminary in New York, was $30,000 larger this year than last. The General Theological Seminary makes its appeal to our Church throughout the country, whereas the Philadelphia Divinity School is dependent largely on the people of this Diocese.

As you have been notified, the ten Agencies in the Diocese Serving the Aging and Chronically Ill, have been studying the needs and have come to the conclusion that the greatest need at the present time is for a hospital Serving the Aging and Chronically Ill. Several of our Homes for the Aging are not equipped to take care of those who need hospital care. The Exploratory Committee feels that a hospital to meet this need should be built on the grounds of All Saints Hospital in Chestnut Hill. The amount needed to build such a hospital would have to be determined after careful study, but the present guess is that the cost will be somewhere between two and three million dollars.

I would like to call your attention to the fact that the Capital Fund Campaign authorized by the 1955 Diocesan Convention for $1,250,000.00 has not been completed after five years. Obviously we cannot have two Capital Fund Campaigns going on at the same time. This Convention should decide definitely what to do about

the present Capital Fund Campaign before voting for an additional one.

You will soon be called upon to engage in a thorough Diocesan Survey under the leadership of Bishop Armstrong. This is a very large undertaking and will require the active cooperation of all the Clergy and Vestries. It is difficult to plan wisely at a time when changes are so many and so rapid, but we must pool our thinking and hopes as we plan for the future of the Diocese. We must not barricade ourselves behind our prejudices, but be willing to meet new conditions with open minds and enthusiasms.

APPENDIX B

BISHOP COADJUTOR'S ADDRESS

There has been so much written and said, in the past few years, about the Urban Church problem, or the challenge of the City, that seems to me to have vastly over-simplified what a typical city is in this rapidly changing culture.

There are some sections of Philadelphia that, to a great extent, are entirely untouched and remain substantially as they were 25 or 30 years ago. We have, in such stable neighborhoods, well-established and strong parish churches which serve the neighborhood in which they stand in various ways. There are other sections of Philadelphia which have become completely or almost completely business or industry—sections in which almost no one lives. Such an area is that surrounding Old Christ Church, 2d North of Market. This church and several other old and well-established churches still draw people for various reasons from a distance to worship in them and to serve the community in which they stand in many ways. It would be hard to estimate the religious value to the thousands of people who visit Christ Church each year and who kneel in its pews to commune with their God. There are many activities in Neighborhood House to people coming from other parts of Philadelphia or from the suburbs. One need not enumerate all of these great churches— St. Clement's, St. Mark's, Holy Trinity, Old St. Peter's, St. Luke and The Epiphany, but let it suffice to say that each, in its own way, is making a contribution to the religious life of the community in a valuable way. Some are finding it possible to develop a neighborhood work. It seems redundant even to mention the healing services which have so enhanced the ministry at St. Stephen's Church under Dr. Price.

Then there are parishes, in some sections of the city, where change in population has been spectacular and, indeed, almost catastrophic; whole sections where but a few decades ago, people with families lived one family to one house. These houses, today, are either multiple dwellings or rented room-by-room to whole families of people. The social and economic level of such a community has altered beyond recognition and, indeed, there is, too, a whole remnant of people still remaining in the homes they have lived in for years.

In this surging and changing complex, we find what, perhaps, can be called the "little people of God," the people of no resources —financial or otherwise; people who have great aching voids,

bewilderments, and a gnawing sense of loneliness. We are told in the New Testament that, as our Lord came up to Jerusalem for the last time, he paused at the hill overlooking Jerusalem and, looking over the city, wept. Some have suggested that He wept because of the Temple that was to be destroyed but He, himself, prophesied the destruction of that Temple so that not one stone should stand upon another. Some have said that He wept because of fore-knowledge that He was to be crucified and die but is is hard, indeed impossible, to imagine the Lord Christ, at such a time, feeling sorry for himself. Indeed, it is the general concensus of opinion that He was weeping over the little people of Israel. He was weeping for the prophets who had been stoned. He was weeping for the lack of concern of the strong and the rich for those who have nothing. His compassion instantly flowed to assuage human need no matter what the need was that He found in those whom He had come to save. Just such people populate certain areas that are commonly called the inner city. These individuals, in the normal course of their lives, have had little or no contact with the Christian Church in whatever areas they came from. They had seen little or no evidence of God's pursuing love and, indeed, they have come to Philadelphia, in most cases, hoping to find it. It is here that the Church needs to place competent and dedicated men and women who will seek out and serve as fully as possible the need of these children of God. Shall we think of them as beacons or as lighthouses, shining with the light of God's love that went so far as to give us His only begotten Son through whom He reached out, even to the thief dying on the cross beside our Lord, that our Lord might carry His Father's Love by accepting into paradise with Him that day the sheep who had been lost.

The Church, throughout history, has opened her sheltering arms to those who dwell about her; to those who pass her on the street day after day, that the Love of God may be made known. For, this is our purpose—this is that for which we are made. We dare not count the cost in man-hours or in money. Who can place a value on the soul of a child of God. It is to this missionary enterprise that we need to turn our minds, our skills, and our treasures. The total resourses of our beloved Diocese will be called on to the fullest in the years ahead to enable us to fulfill our mission. It seems to me that our Heavenly Father must have great confidence in us to have entrusted to our weakness this task which requires His strength.

During the course of the year, there were the usual applications under Diocesan Canon XII for the alienation or encumbering of various church properties. These were for the most part well prepared and obviously in the best interests of the applicant-parish. All applications were approved except the application of The Church of The Atonement for the sale of its rectory.

The application of St. Cyprian's Church to relocate at 63d and Locust Streets was refused.

The application of Trinity Church, Gulph Mills, for Parish status was approved.

The application of The Chapel of The Prince of Peace for parochial status was approved.

The Standing Committee set the date as November 7, 1960, for the election of a Bishop Coadjutor. The Bishops having jurisdiction and the Standing Committees were notified of the desire of The Bishop to elect a Coadjutor. The required consents were in the hands of the Standing Committee at the time of the June 28 meeting. Following the election of Bishop Armstrong and his acceptance, the certificates of election were prepared for submission to the Bishops and Standing Committees, and in due course the Presiding Bishop was notified of the approval by the required majority.

The application of John Anderson Maguire, a one-time Roman Catholic priest, for restoration to the exercise of his priestly office was approved.

Applications with respect to the Perpetual Diaconate presented recurring problems. One Deacon of obvious intellectual qualifications requested advancement to the Priesthood without complying with the requirement of a year at a seminary. The Committee refused the application, feeling that ordination as a Priest required more than intellectual capability and that a seminarian year should remain a condition to advancement.

Two other postulants, Candidates for Holy Orders as Perpetual Deacons, were disapproved as it was felt that in neither case were they educationally qualified. Further, the Committee believed that, while their work with their present rectors was helpful, each would be lost in other parishes were it necessary for them to be reassigned.

The Standing Committee, feeling that there was much misunderstanding in the Diocese with regard to the Perpetual Diaconate, requested Bishop Hart and Bishop Armstrong to express their opinions as to criteria. The Bishops have formulated their opinions as follows:

Bishop Hart, Bishop Armstrong and the Standing Committee have agreed on procedures in regard to Postulants for the Perpetual Diaconate, and for older men who are Postulants for the Priesthood.

All men who desire to be Postulants for the Perpetual Diaconate shall be forty years of age, well established in business, with every intention of continuing their business careers.

All Candidates shall be accepted by the Standing Committee before they become Postulants. If they are accepted and are

ordained, they shall bear a special witness in their parish churches on Sundays and great feasts by assisting the Rector in the celebration of the Holy Communion, and performing such other duties as shall be assigned to them by the Rector.

Older men, over thirty-five years of age, who are established in business and accede to a call for Holy Orders, shall be interviewed by the Bishop and Standing Committee before being accepted as Postulants.

A man will not be accepted as a Postulant for the Priesthood unless the man discontinues his previous lay employment, spends at least one year in a Divinity School, and gives all of his time as a Deacon and later as a Priest to the work of the ministry.

All applications to be received as a Postulant (whether or not covered by the above) are to be sent to Bishop Armstrong.

Respectfully submitted,

TOWNSEND MUNSON, *Secretary*

REPORT OF THE TREASUER OF THE DIOCESE OF PENNSYLVANIA FOR 1960

The report of the treasurer of the Diocese of Pennsylvania is submitted herewith The figures are in greater detail than the audit prepared from the Diocesan books of account and records by Charles S. Rockey and Co., a copy of which will be available for examination at the Church House.

Because of the economic climate prevailing in 1960, the Treasurer's department during the year viewed with some apprehension its ability to meet all Diocesan commitments, particularly since the Missionary budget showed an increase of approximately $50,000 over 1959. The Parishes and Missions responded magnificently to this challenge. When the year closed (a) 88 Parishes and Missions paid their full accepted proportionate shares, (b) 83 overpaid by $31,416.84, and (c) 22 still owed $9,573.77.

The substantial overpayments referred to dispelled our anxiety. We met all our obligations, including that portion of the request from the National Council included in their budget for capital purposes which earlier in the year we had advised them that we could not accept but would remit if sufficient funds were collected. This amount of $21,500 was duly transmitted, thus keeping intact the record of our support to the National Church. It is obvious that without the sacrifices of those who contributed so substantially to the overpayment, we would have had great difficulty in meeting this contribution.

We were also able through lapsed balances and overpayments to add $27,291 to the unallocated missionary suspense fund, approximately $12,000 more than in 1959.

It is from this account that much of the new work and unusual expenditures for the missionary effort are financed. Two examples of appropriations from this source during 1960 are $30,000 to erect a swimming pool at the Conference Center, and $8,000 to purchase land for St. Christopher's, Oxford.

It is always a pleasure to record the receipt of payments on advances made from this source. Epiphany, Royersford repaid $1,500, Good Shepherd, Hilltown, repaid $3,000, Trinity, Gulph Mills, $1,800, and St. James, Green Ridge, $5,000. These monies will again be put to work for the missionary effort.

On July 1, 1960, a pension plan for lay employees was instituted, underwritten by the Church Life Insurance Corporation. The past service single premium amounting to $31,165 was paid from funds at Bishop Hart's disposal. The cost of keeping the plan current is estimated at approximately $5,100 annually which will be met from Diocesan revenues. This is an important forward step in meeting a duty to our faithful workers.

The Treasurer's office handled receipts of the Diocesan campaign for capital funds totaling $107,336.54. With the carryover from 1959, remittances were made to the Diocese, $67,200, and to the Philadelphia Divinity School, $44,800. From this and prior accumulations, the Diocese appropriated $25,000 for work at the Church of the Advocate, $35,000 to construct a rectory at Christ Church, Eddington, and $17,868.50 for the purchase of a rectory at All Saints, Fallsington. St. Paul, Levittown, made two payments of $5,000 each on a loan to them, reducing their obligation to $26,000 at the year end.

The work in the Treasurer's department continues heavy. We are again grateful to the continued careful attention given by Mr. Robert F. Bole, financial secretary, to the many details under his supervision, and to Mrs. Adams and the other ladies in the department for their untiring efforts.

FREDERICK R. DRAYTON, *Treasurer*
EDWARD M. MANN, *Ass't Treasurer*

DEPARTMENT OF FINANCE AND PROPERTY

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1960 and gave constant thought and study to the financial problems confronting the Diocese throughout the past year.

The Property Department is a sub-department under Finance which is charged with the surveillance of all physical property owned or under control of the Diocese. The Chairman, Mr. Ronald J. McCarthy, renders a separate report which follows.

The Committee on Financial Safeguards, Mr. Donald A. Williams, Chairman, a sub-committee of the Department of Finance, meets at the call of the Chair. Mr. Williams renders a separate report which follows.

The Department notes with pleasure that all bills of the Diocese and its Expectation to the National Council for 1960 have been paid in full. The Diocese accepted the assigned share, set by the National Council on the condition that receipts would be sufficient to meet such obligation in full.

The Treasurer's Report is most gratifying showing in detail the breakdown of the budget, the previous balances, receipts disbursements and closing balances. Mr. Frederick R. Drayton, Treasurer, and Mr. Edward M. Mann, Assistant Treasurer, are greatly interested in the finances of the Diocese and are most helpful in the discussions which take place at the meetings of the Department of Finance.

The Department of Finance participated in the dinner meeting sponsored by the Laymen's Department of the Diocese held on October 3, 1960 at the Cathedral Church of Christ in Roxborough. The purpose of this meeting at which approximately 100 clergy and laymen were present was to discuss methods for Church Support.

SAFEGUARDS FOR THE YEAR 1960

The Committee on Financial Safeguards is charged first with the duty to encourage and to help the Parishes and Missions to maintain sound systems of books covering their Finances and to use regular audits of their financial transactions. Each year, each Parish and Mission is requested to give the Committee the name of their auditor and either to send or have the auditor send a copy of the audit to our office at the Church House. The response to these requests continues to improve. Last year, 1960, the Committee received replies which it deems to be satisfactory compliance from 157 or 82.2% of our 193 Parishes and Missions. In 23 cases, or approximately 12% of the entire list, we have had replies but no information. Only 26 Parishes or Missions, or 13.6% of the total have failed to make any response whatever. All of this is far from perfect but it does show a reasonably substantial improvement over the prior years. With continued patience on our part, the results should become even better as more and more of our Parishes and Missions understand that the purpose of this Committee is to help improve the solid strength of the Diocese as a whole.

We are encouraged by signs, from many parts of the Diocese, which indicate that the Parishes and Missions are giving more attention to the adequacy of their insurance coverages. This is a serious matter and we should avail ourselves of every opportunity to emphasize its importance. The development of some plan to foster this emphasis continues to be one of the aims of this committee.

DONALD H. WILLIAMS

Chairman

On December 7, 1960, the Finance Department arranged a dinner meeting at the Conference Center when the Rectors, Rectors' Wardens and Accounting Wardens of 21 of the parishes that, for the year 1960, had accepted the largest amounts as pledges toward the Diocesan Missionary Budget. Those present were the guests of Bishop Hart who presided.

The objectives of this meeting were:

(a) To explain in more detail how the Mathematical Quota and Proportionate Share for each church was determined.

(b) To explain the method of pledging by several nearby Dioceses.

(c) To explain the pros and cons of the Proportionate Share basis versus Voluntary Giving.

It was quite evident that a meeting of this character has a great deal of merit in bringing before Vestry members the financial problems of developing and carrying out our Missionary Budget. It also gave those present an opportunity to express their own opinions. It is hoped that the members who attended will feel a closer liaison with the members of the Department of Finance for frank and open discussions covering this entire topic.

It is expected that one or more similar meetings will be held in 1961 to present the financial problems of the Diocese to Wardens and Clergy.

The Chairman expresses his appreciation to the officers of the Diocese and the members of the Department for their splendid cooperation during the past year.

CHARLES S. ROCKEY,

Chairman

REPORT OF THE PROPERTY COMMITTEE

Since our last Annual Report, Mr. George Blatz, one of our Appraisers, and Mr. James S. Merritt, one of our Engineers, have both been lost by death. These members of our Committee had responded most willingly to any call for their services and will be sadly missed.

During the year we arranged for the purchase of three Vicarages, one for All Saints Mission, Fallsington, and one for St. Christopher's Mission, Oxford, also one for St. Cyprian's Mission Elmwood, at 6218 Ellsworth Street, Philadelphia. We cooperated with the Church Foundation in the sale of St. James', Hestonville, and established a policy on the sale of land at St. James', Green Ridge, with the Dean of the Chester Convocation.

Our Appraisers examined the Ellsworth Street house to establish a proper price for purchase and the Rectory of the Church of the Atonement, West Philadelphia, also St. Titus Mission, Eastwick, to determine a sale price for us.

Our Architects Committee had several meetings in connection with the plans for Epiphany, Royersford, in an effort to bring the construction price within the amount of the appropriation from the Diocese which we finally accomplished due to the efforts of Mr. R. T. Addis. We also kept in constant touch with the Architect on the completion of the Rectory for Christ Church, Eddington.

We also arranged for repairs at All Souls Mission for the Deaf, St. Ambrose, The Advocate, St. Andrew's, West Philadelphia, St. Nathanael's, The Keene Home and the Church House.

We also served with the Insurance Committee of the Diocese on various problems.

RONALD J. MCCARTHY,

Chairman

REPORT OF THE DEPARTMENT OF COMMUNICATIONS

In 1960, the Department of Communications decided to abandon the slick paper magazine and substitute a tabloid type newspaper. It was believed that such an operation could be done more economically and, at the same time, reach more people. The first issue of the newspaper verified this belief in that where the old magazine printed never more than sixteen thousand copies each issue, many of which were delivered in bulk to parishes rather than to individual addresses, the newspaper printed and mailed into the individual homes of over one hundred and sixty parishes forty-five thousand copies. Although the newspaper is presently subsidized by the Diocese, it is believed that with this circulation, it will pay for itself through advertising in the not too distant future. A new editor and director of the department skilled in newspaper publishing has been secured. He is Walter N. Connors, a lifelong newspaperman and former editor of several weekly newspapers.

Great credit for the successful launching of the newspaper is due to George Hopkins, Director of Employee Publications of the Atlantic Refining Company, who gave not only hours but weeks of his time in establishing the new paper. He was ably assisted by the Reverend William J. Alberts, Rector of Christ Church, Media. But these men are only two of the entire department's personnel where advice and counsel have been of tremendous value.

The department is now looking forward to the expansion of its service to the Diocese and its parishes through the media of the local newspapers, radio, and television, and in terms of total public relations.

The Chairman of the department wishes to pay tribute to the devoted service of the former editor of the magazine, Robert C. Flanders. The department owes much indeed to the foundations which he laid during his directorship.

DEPARTMENT OF MISSIONS AND CHURCH EXTENSION

REPORT OF THE DEPARTMENT OF MISSIONS

Early in the year, the Department was saddened and the Diocese impoverished by the death of the Rev. William J. Dietrich, Jr., D.D., Dean of the Convocation of Germantown, and that of Mr. Lewis Mapes Evans, Sr., faithful churchman and Diocesan worker and Mrs. William Lanigan, wife of the Rector of St. James' Church, Norristown.

A group of the City clergy have been meeting monthly to consider the missionary work within the City of Philadelphia and Chester. We have entertained the Archdeacon of Manhattan and the Archdeacon of Boston, learning from them how the archdeaconal system works in New York and Boston. It is hoped that a stronger work will issue from this sharing and planning done by men involved in City work.

The Department is in contact with the Redevelopment Authority and City Planners so that we are forewarned, as much as possible, about impending changes.

It was a matter of sorrow to us that it was deemed wise to close St. James', Hestonville, and to sell the property. This was done particularly because the church and parish house were in such bad condition that soon the building would be dangerous and, because of the limited space, there was no way to add to the tiny parish house facilities additional space to make the parish house adequate. It also seemed that, because St. Barnabas, Haddington, was close in one direction and St. Thomas, West Philadelphia, in the other direction, there was no longer a need for that location.

It was also decided that, as the new road will go directly through the site of St. Stephen's, Bridesburg, all monies received from the sale of properties will be set aside with the Church Foundation for work in the Bridesburg area and the Church Foundation has been requested to act as trustee of the St. Stephen's Fund, making available the income from the trust fund to the vestry of St. Mark's, Frankford, for securing of a full-time assistant who will be responsible for the care of the Bridesburg area. It was also noted that, in the event the vestry of St. Mark's, Frankford, desire to relinquish the use of the income, the Bishop and those in authority be

privileged to use the St. Stephen's Fund for other purposes, giving preference to the work in the neighboring area. It was also suggested that, in the event it may prove desirable to re-establish a work in Bridesburg, the St. Stephen's Fund be made available for buildings provided the requests meet the requirements of the Canons for New Work.

A continuing study is going on in West Philadelphia, involving possible new locations for St. Monica's Mission and St. Cyprian's, Eastwick. It is hoped that new locations can be found for both missions in the West Philadelphia area.

Funds have been set aside for the building of an educational building at Epiphany, Royersford. It is a matter of great satisfaction that the mission in Royersford has developed into one of our strong missions. The educational building is in the process of construction and should be ready for occupancy in the fall of 1961.

We are very happy to report that St. Anne's, Abington, has its beautiful new church consecrated.

Bishop Hart provided special funds for the Rev. Jack Shepherd to take an intensive course in Spanish and, upon his ordination to the diaconate in June, was sent by Bishop Hart to Puerto Rico to work for one year—his salary being paid by the Diocese of Pennsylvania, to prepare himself to return to Philadelphia and to be in charge of our growing Puerto Rican work at St. Barnabas Church, Dauphin Street. This work is being carried on under the supervision of the Rev. Robert S. Harris, Rector of the Church of the Annunciation, with the help of two Puerto Rican seminarians who are studying at the Philadelphia Divinity School. Bishop Swift visited this work to approve his seminarians working under Father Harris' direction.

Captain Glen Marl, Church Army, was rotated and Captain Jones, the head of the Chruch Army, assigned Captain William C. Phy to work in Philadelphia at St. Barnabas' Church and at St. Bartholomew's, living in the rectory at St. Bartholomew's. He is conducting worship and doing pastoral work at both missions. It is interesting to note that the old congregation of St. Barnabas continues to worship at St. Barnabas in an enlarged chapel on the first floor while the Puerto Rican work goes on in the church proper. The two congregations are happy together and we look forward to the day when they will become one congregation.

Studies are continuing at St. Christopher's, Oxford, which is under the care of the Rev. Richard Hess, and it is to be hoped that a proper site can be obtained and a church erected in Oxford in the near future.

We were happy to learn that the work of Good Shepherd, Hilltown, has developed to such an extent that full-time work of a clergyman is necessary and this is being provided for.

The following work has been done at the missions alphabetically listed:

Advocate

a. $24,500 allocated (Diocesan Campaign for Capital Funds) for work July 1, 1960 to June 30, 1961. Dr. Almon F. Pepper, Director Natl. Council, Dept. of Christian Relations, commended work — an article on which to be prepared and distributed to "other" dioceses.

All Saints — Fallsington

a. Property purchased for vicarage after approval given and $17,000 offered by Diocese to meet cost.
b. Authorization given for (1) sales of house formedly used by Vicar of Levittown, and (2) sale of house in Fairless Hills now used by Vicar of All Saints.
c. Permission granted to congregation and Committee of Missions to borrow $9,000 at 2% interest from St. Paul's, Chestnut Hill, Revolving Fund for the purpose of remodeling the rectory.

All Souls — (Deaf)

a. Second-hand oil burner, purchased for vicarage, inefficient — no heat on second floor. Property committee authorized to investigate and to correct. Necessary repairs made at cost of $210.00, and $98.00 appropriated to assist with electrical changes (to meet Underwriters' spec.).

Ascension — West Chester

a. $150.00 appropriated toward repairs to kitchen (total cost, $350.00); balance of which to be resumed by congregation.
b. Pennsylvania Highway Dept. paid $900.00 to cover damages to property in completing proposed highway — (out of which we, in turn, paid a $50.00 "appraisal" bill).

Christ Church — Eddington

a. Architect requested to draw "other" plans for rectory, not to exceed $30,000 — original estimate having been $42,000.
b. An estimate of $1,800 was made for a *partial* basement. Permission was given to church to appropriate an additional $1,000 to this for full basement for new rectory.
c. Bensalem Township made settlement (after payment of $1,000 by us) for granting permanent easement for laying sewer interceptor line across property.

Epiphany — Royersford

a. Sum of $70,000 appropriated for new Parish House. Building halted because of excessive bid of $84,000. Certain items eliminated brought cost down to $63,000 and contract placed at cost of $63,000.

Grace — Hulmeville

a. Permission granted to purchase of land adjacent to church for building "future" rectory — church to assume cost of purchase.
b. Water supply tested and filter installed through the Women of the Convocation of Germantown.
c. Request for new rectory made and need for new rectory given priority.

Trinity — Gulph Mills

a. Vicar and vestry granted permission to use $3,000 of own funds to make improvements in Parish House for Nursery School.

St. Christopher — Oxford

a. House purchased for $25,000 for rectory and center for work at Oxford—furnished apartment being rented for Vicar and wife during alterations in new rectory.
b. Garage converted into Chapel for services.
c. Negotiations to purchase land closer to town of Oxford through Mr. Ware, to insure future of mission, and recommendation made that 4 lots on Lancaster Avenue and 4 lots on "anticipated" new road in Oxford be purchased at cost of $14,000.

St. Cyprian — Elmwood

a. Study made and decision reached to "relocate" mission.
(1) Petition presented to "relocate" at 63rd and Locust Sts., by purchasing an Armenian Church ($100,000); no action taken — too near St. George, West End.
(2) Possibility of securing Baptist Church, 52nd and Baltimore Ave.; no action taken — objection raised by Fr. Davis as to its being a white neighborhood, the Negro people living beyond 57th St. and in area of 47th and Kingsessing.

b. Rectory purchased at 6218 Ellsworth Street and settlement made November 23, 1961 (amount of purchase and settlement fee — $15,046.46). Insurance placed on property.

J. GILLESPIE ARMSTRONG,

Chairman

REPORT OF THE CONVOCATION OF CHESTER

For Year 1960

The clergy serving the various missions of the Convocation are very capable and enthusiastic. Their devotion, zeal and ability has resulted in the fine work which is carried out in our missions. Where we find no increase in numbers or attendance it is simply a reflection of the fact that these churches are located in a section which has not shown any appreciable population growth during the last few years.

Ascension, Parkersburg, has continued to show new vigor and life. The Rev. Mr. Henry J. Sharp left towards the end of the year to accept the Rectorship of St. Paul's, Oaks, and he will be replaced March 1st by Mr. Anthony J. Mattes.

Ascension, West Chester. Father Cecil H. Cowan has been Vicar of this mission since 1956 and the church has continued to do its share in the spiritual life of the community. The loss of a small strip of land which was condemned for the widening of the West Chester Pike has not affected the appearance of our church property. The building is in good condition. The rectory is an old building and repair was needed to keep it in good, livable condition.

St. Andrew's, Belmont Hills. Mr. Robert Clark, a Senior in the Philadelphia Divinity School, and a candidate for orders in the Diocese of Western New York, has been in charge of this mission for two years and has shown very able leadership. This was reflected in the fact that 7 persons were Confirmed during the year and the average attendance at the services has been in the neighborhood of 50. Plans are under way to improve the doorway to the mission which work, we hope, will be carried out during the year 1961.

St. Christopher's, Oxford, can look back on a very eventful year. We are very thankful for the excellent work of the Rev. Mr. Lewis Worrall, Deacon in charge of the work there, who laid a very sound foundation for this new mission. He left the mission in May to assume the responsibility of the work in Highland Gardens and a full-time resident minister moved into the mission. A rectory was purchased and it is gratifying to know how the work is progressing in Oxford. During the year 8 persons were Confirmed and the congregation now consists of 48 families. As previously

reported, the plans for the new highway prohibited us from considering building on the site purchased for this purpose. At the end of the year, however, a new site was purchased, consisting of 4 acres located on Lancaster Avenue. It is hoped that within the not too far distant future, we will be able to erect the first unit on this site. The Rev. Mr. Richard Hess now in charge of this mission was ordained to the Diaconate on November 27th.

St. Cyril's, Coatesville. This mission also is under the leadership of Father Cecil H. Cowan. Maybe due to the fact that there is not a resident clergyman, or maybe due to the fact that there has not been any particular growth in the community, this mission has shown a slight decline during the year 1960. The property is in excellent shape and there is no reason why, with some renewed enthusiasm, the devotion of this congregation could not be reflected in 1961 in better attendance and participation by the members in the overall progress of the church.

St. Francis Mission, Goshenville. This new mission continues to meet for services at the Grange Hall. Services are conducted under the supervision of the clergy of the Good Samaritan Church in Paoli. The mission now counts 19 Communicants and records 30 families, with a Sunday School of over 40 children.

St. James, Green Ridge. The Rev. John R. Reeves is the Vicar at St. James, Green Ridge. During the year 1960 the new parish house was completed and as a result the mission was able to continue its steady growth. $6,500 was raised during the year in offerings and pledges. They have a Sunday School of 125 scholars, 20 persons were confirmed during the year and 27 baptized. We feel certain that St. James will continue to show added strength in the year 1961. The rectory is very old and is in constant need of repair. We are now planning to sell a parcel of land which might enable us to erect a new rectory on the land owned by the mission.

Holy Sacrament, Highland Park. This is the last time the Dean will have to include this mission in his report. We feel certain that in the early part of 1961 Holy Sacrament will again receive full parish status. We would like to congratulate the Vicar, the Rev. Robert Kelbaugh, and his Vestry Committee, and the devout members of this congregation for what they have accomplished during the last few years.

St. John's, Compass. The Rev. Mr. Henry J. Sharp who served this mission resigned in the fall of the year. Under his leadership

much was accomplished and today this mission is in excellent shape. The sanctuary with its new ceiling is altogether lovely and the entire property reflects the devotion of the congregation. Mr. Anthony J. Mattes has been appointed by the Bishop to assume the spiritual leadership as of March 1, 1961, and with the enthusiasm of the members we feel certain that St. John's will continue to be of great spiritual influence in Compass. The Church School has grown steadily and is now feeling the need of larger quarters.

St. Luke's, Eddystone. The splendid work of the Rev. David B. Kenny is seen in the spirit of the parish. There was an increase in offering and pledges of over $2,000 during the year and the congregation keeps the property in excellent condition. The mission has assumed a larger financial share in the salary of the Vicar and received only $900.00 during the year 1960 from the Diocese.

St. Luke's, Highland Gardens. The Rev. Norman Sorge left this mission in February 1960 and was replaced at that time by the Rev. Robert Owen from the Diocese of Montana who was taking graduate courses here in Philadelphia. We were very thankful for the work of the Rev. Father Owen. In June of that year the Rev. Mr. Worrall assumed the responsibility of the spiritual leadership of this mission. There is quite some uncertainty about the present location of the mission due to a proposed location of the State Highway and the Department of Missions and the Convocation are working very closely with St. Luke's in planning for their future. We are very much indebted to the Rev. Herbert E. Rowe, Rector of St. Martin's, Marcus Hook, who is working with the Rev. Mr. Worrall in providing the spiritual leadership of this mission.

St. Mark's Honeybrook. There is little or no population growth in Honeybrook Township. Its population is mainly Amish and Mennonite, hence the church is not growing in numbers. However, it has a very stable congregation which radiates more and more its influence in the community. The Rev. Mr. Joseph H. Laird has been Vicar since 1955 and his devotion and leadership is readily observed from the spirit among the members of this congregation. The property is kept in splendid condition.

St. Mary's, Warwick also reflects the good work and devotion of the Rev. Joseph H. Laird. Route 23 has been re-routed and Warwick is now assuming the aspect of a little village with St. Mary's in the middle. Signs have been erected at various spots so that travellers will not have much difficulty in finding this lovely old church.

St. Mary's, Chester. Father Reginald Kent is ministering to 117 Communicants and 38 families and reports an average attendance of around 50. It is hoped that the mission will continue in their effort to assume more financial responsibility in paying towards the salary of the Vicar.

May I end this report by making mention of the tremendous help we have received from the Women of the Convocation. They are so keenly interested in our missions that it is felt all through the Convocation. The Vicars and people of the missions are grateful for, and appreciate, the interest that they have shown. It has increased their sense of purpose and their determination to work for God's Kingdom in their various localities. To Mrs. Hare and to her Executive Committee and to all the Women of the Convocation, I wish to express my deep appreciation.

I also wish to thank the members of my Executive Committee and the Chairmen of the various committees of the Convocation and their members who have given and are giving unselfishly of their time and talent in order that the work of this Convocation may be carried out in keeping with the overall work of the Church.

Respectfully submitted,

PETER C. VAN DER HIEL, JR.

Dean

EPISCOPAL CHURCHWOMEN

CONVOCATION OF CHESTER

Again we have had a busy year, marked by two meetings the Lord seemed to bless. At St. David's, Radnor, last spring, Bishop Armstrong faced us plainly with the need of mission to the city. Then Father Davis of St. John's, Lansdowne, opened four Convocation missions to us, through Rev. Laird telling the rural situation, Rev. Cowan, that of West Chester and Coatesville. Rev. Mr. Reeves showed us the Church in brand new suburbia, and Mr. Clark, seminarian in charge of St. Andrew's, Belmont Hills, told the aching need of this mission to have its own parish priest.

All this led to a May go-see trip. We tried to cover in one day the areas we had heard about, where Dean Van der Hiel somehow is omni-present in spite of distance. St. Luke's, Eddystone, St. James, Green Ridge, St. Mary's, Warwick, St. Andrew's, Belmont Hills, were our hosts, and we thank them respectfully, as well as St. John's, Concord, who invited us to noon-day prayer and a lovely lunch.

Fall meeting was at Advent, Kennett Square. Bishop Hart's plea was to increase the communicant strength of our parishes, which is falling. He asked us to check the evangelistic program of each parish, and the attitude of the vestry to it. *Mme Delegate, will you put this news on a Post Card and send it to our Dean Van der Hiel?* Just write "we have a women's visiting committee" or "our vestry is planning a vacation Bible school" or "our vestry does not think we should bother people." Whatever it is, your information will be a help. Thank You.

Following Bishop Hart, the case of the church in the city was again presented by Rev. Davison, Church of the Advocate, Rev. Washington, St. Cyprian's, Eastwick, and Rev. Koci, St. Peters. You and your parish are asked to visit these Philadelphia churches.

About money—The Vicars of the Missions receive their salary from the Diocese. Building and upkeep costs are paid by funds in control of the Board of Missions which meets at Church House. These funds are small. *The sum from Episcopal Churchwomen is of vital help. Please have your budget-makers understand this.* The juke box would not be playing in the basement of Ascension Mission West Chester, if it were not for your churches' contribution to Convocation; nor would there be a new parish house finished in St. James, Green Ridge, bulging with children Sundays — and weekdays too! Please, Mme. Delegate, break up any unawareness there may be in your church as to the usefulness and need for these Convocation funds.

Again, Thanks.

Winifred T. Hare,

President

REPORT OF THE CONVOCATION OF GERMANTOWN

At the Spring Meeting of the Convocation at the Memorial Church of Good Shepherd, The Oak Road, Germantown, a Memorial Service was held for Dean William Dietrich, and the offering, which with later additions came to $1,000 was given to the Philadelphia Divinity School to be invested and the income to be used for the William J. Dietrich Memorial Prize to be awarded annually to a student in the Divinity School for a paper assigned in the field of missions, preferably on the work of the Church in the "inner city" in which Dean Dietrich was so vitally interested.

At Convention in May the Church of the Redemption, Southampton was received as a Parish.

All Saints, Falsington, has made tremendous strides. Its vicar was ordered deacon on Ascension Day and ordained priest in November. At his first celebration of the Holy Communion on Advent Sunday there was a congregation of over 75 men to greet him. In December the "Kelley property" was purchased. This will square off the church's property and the house on it, part of which goes back to colonial times, will make a most suitable rectory for the Lingles. A loan has been obtained from the St. Paul's, Chestnut Hill Revolving Fund for the restoration of the house which the Lingles expect to occupy sometime in March.

Christ Church, Eddington, in spite of the uncertainties caused by the approach of the Delaware Expressway continues to make tremendous progress, and as of February 1, 1961, ceased to receive any aid from the Diocese for the Vicar's salary. The Rectory which has been erected on the new property on Street Road will be occupied by the DeMeesters in March, 1961.

At Grace Church, Hulmeville, also strides towards parish status. In the fall there was purchased by the mission land directly behind the Church property for a Rectory which was authorized by the Executive Council in February 1961. Thanks to the generosity of the Women of the Convocation a filter system on a rental basis has been installed in the old Rectory which can be moved to the new one when built, so that for the first time Mrs. McKean can do the wash without its coming out red.

St. Stephen's, Birdesburg continues under the wing of St. Mark's, Frankford. With the leaving of the Rev. Mr. A. Edward Chinn

to be Rector of All Saints, Torresdale, no new curate has come to St. Mark's and the Rector of St. Mark's, the Rev. Albert F. Fischer, Jr. is to be highly commended in the way that he had continued to minister to the people of St. Stephen's in addition to his duties at St. Mark's.

P. F. STURGES,
Dean

REPORT OF THE CONVOCATION OF NORRISTOWN

The Convocation of Norristown has had a happy year from every angle but particularly from its missionary work. Under the fine leadership of the Vicars the people of our mission are doing such a fine job that they have begun to figure how long it will be until they can become Parishes. This has stimulated the Convocation to plan for the establishment of new Missions at new sites. So far this has lead to the investigation of some sites but no plans for the establishment of any new work.

Church of the Good Shepherd, Hilltown, under the energetic and faithful leadership of the Vicar, the Reverend Frederick B. Halsey, is in constant expansion and the people are continually improving their facilities to take care of their needs.

Trinity Church, Gulph Mills. The Vicar, the Reverend Herbert H. Beardsley and the people of Trinity Church are happily anticipating that very shortly they will be a Parish. They have worked so hard during the years past that they have earned this step forward.

Epiphany Church, Royersford. The Reverend John C. Kolb and the people of Epiphany are thrilled at the fact that the new Parish House Building which they have planned for and dreamed of for several years it as last in the process of being erected. Now the growing congregation and the expanding Church School can be properly housed.

Saint Anne's Mission, Abington. The Reverend Harold A. Hopkins and the people of Saint Anne's have this year passed through the most joyful experience of having their newly erected Church Building consecrated. This fine piece of work was accomplished by the Diocese and the people of the Mission under the inspiration and work of the Vicar. In addition to the $90,000.00 which the Diocese contributed to erect the church building, the people raised $50,000.00. This made it possible to pay all the bills for the construction and furnishing of the Church Building.

We had two fine meetings of the men of the Convocation during the year. At the Fall Meeting the four Vicars each showed slides of the development of the work in their respective Missions. This was by far the best report we have had on the work as it is being carried on in our Missions and the members present felt that they knew more of what was being done than they had for some years.

How can we ever express our thanks and appreciation to the Women of The Convocation of Norristown for all that they do to help build up the Church's work in our Convocation. They collect and disburse money to help us but they also study and work to find out what is being done and try to help us to improve it. Their two meetings this year were inspiring and we pray God's Special Blessing on them.

HERBERT W. JONES,
Dean

CONVOCATION OF NORTH PHILADELPHIA

It was our good fortune to hold the Spring Convocation amidst most pleasant surroundings. We met in Old Christ Church, where in a most unusual way, are combined the memories of an historic past, and the bustling activities of a flourishing present. It was good to relive, even for so short a time, our pioneer colonial days, and to be close to the very foundations upon which not alone our American Church was founded but also our very nation. Right here in Christ Church this branch of Anglicanism was established.

Our host, the Rev. Dr. Ernest Harding, Rector of the parish refreshed our memories in a very fine address. The historic surroundings inspired us to a livelier faith in the future. Seeing what this old parish is doing now, in a rapidly changing neighborhood gives us courage and points the way for others to follow.

The Fall Convocation met in a parish where change is also taking place. Our host, Fr. Ischie, in welcoming us to Christ Church, Franklinville, stressed the alterations and improvements in progress there.

A few clerical changes have taken place in North Philadelphia. The Resurrection. Captain Phye of the Church Army has taken residence in the Vicarage of St. Bartholomew's. Working under

the Dean he is directing activities there and at St. Barnabas. The Spanish work and the Sacramental life of St. Barnabas is being taken care of by Fr. Harris, Rector of the Annunciation. The consolidation of the Spanish and English work is being planned and is in progress right now. Both groups are looking forward to the return of Fr. Sheppard from Puerto Rico, as their Vicar.

All the people of the Convocation join with me in wishing well our former Dean, Dr. Arthur Murray, as he retires from active parish work. May God be with you.

We appreciate the enthusiasm our women are showing under the leadership of Mrs. Frederick Cooper. Their meetings are well-planned and well-attended.

Sincerely,

DAVID O. TRAUGER,
Dean

CONVOCATION OF SOUTH PHILADELPHIA

In the early months of 1960 South Philadelphia Convocation was privileged to have one of its churches a "Host Church" for the Brotherhood of St. Andrew, George Washington's Birthday Annual Corporate Communion for men and boys of the Church. Prince of Peace Chapel was so honored. On Saturday, February 20, 1960, one hundred and twenty-five men and boys attended the Holy Communion service and breakfast. Breakfast was served by the women of the Chapel.

In the spring of 1960 the regular Convocation meeting was held at St. Elizabeth's Chapel, 16th and Mifflin Streets. The women and men were delightfully surprised at the great physical and spiritual change in the chapel. During the recent months many persons gave of time and money to improve the buildings, both inside and outside. Funds were raised for new equipment and materials. The kitchen and cafeteria are most attractive. Installation was made possible by many willing hands and hearts. In July ceramic tile was purchased to re-finish the great dome of the chancel. Two faithful men donated their entire vacations in July to properly and beautifully install the tile and lighting. Another man, on his vacation, made and then donated pew racks for the entire church. New plumbing was installed in the sacristry, by the men, under the guidance of a plumber. For 1961 Father McCoy reports the congregation will accept $1,700.00 as their share toward the salary of the Vicar, and have promised to give $1,000.00 to missions.

During the meeting of the Women's Aid to Convocation the following officers were elected: Mrs. M. Berretta Marston, President; Mrs. E. L. Burns, 1st Vice-President; Mrs. MacElwain, 2nd Vice-President; Miss Jarius Doyle, Treasurer; Miss Mildred Baird, Secretary. Officers elected by the men for the year are: Dr. Raymond C. Snyder, Secretary; Dr. Stephen Baughn, Treasurer. Clerical representative to Diocesan Executive Council, the Rev. Thomas Parker, D.D., and lay representative Mr. Jeremiah Rutter. Property Committee appointed by the Dean: Mr. Benj. F. Ashwood, chairman, Mr. Jeremiah Rutter and the Rev. John R. Logan, Jr.

During the summer the Rev. Frederick C. Price, Vicar of the Chapel of the Holy Communion, resigned. The Rev. Francis F. Blake has been appointed his successor.

The fall meeting of the Convocation was held at St. Peter's Church, 3rd and Pine Streets, as part of their 175th Anniversary

celebration. The women held their regular meeting, but the men planned something totally different. Following the supper a short business meeting was held. At this time the Rev. Mr. Koci, Rector of St. Peter's Church, explained the changes and hopes of St. Peter's Choir (Church) School. All present then were asked to take part in a Hallowe'en Party. This was for men, women and young people. Usually about 120 are present for dinner, however, for this occasion more than 160 were present and enjoyed the program. We thank the Rector, and Assistant Minister, and their fine staff, mostly volunteers, for making this a different and delightful Convocation meeting.

J. AUBREY CRAGG,
Dean.

WOMAN'S AID TO CONVOCATION OF SOUTH PHILADELPHIA

On January 26, 1960, our meeting was held in the Church of St. Luke and the Epiphany. After the business was disposed of

Mrs. Birchall Hammer of St. Paul's Church, Elkins Park, displayed her beautiful Madonnas and gave an interesting talk about them. After a box lunch, with delicious cake and coffee served by the Women of St. Luke's, the Rev. Melvin Cole of Sierra Leone, Africa, gave a talk on the work of the Episcopal Church there.

The April meeting was held at St. Elizabeth's and our entertainers were the St. Anne's Players, who gave an amusing skit, and Colonel Bellesville, who appeared in native costume and talked of his experiences on Okinawa. Evensong followed — then a supper for both the men and women of South Philadelphia Convocation. This was prepared by the Women of St. Elizabeth's. Both of these meetings were presided over by Mrs. Frederick Price as president.

In October our meeting was deferred a week to take advantage of All-Hallows' Eve. We met at Old St. Peter's Church. Mr. Mayer spoke in behalf of the Bishops' Speakers Bureau, Mrs. Smith from Holy Trinity spoke about the Church Periodical Club and its' fine work, Mrs. McIlwaine brought tons of interesting pamphlets and books for our consideration. The speaker was Mrs. Helen Heydrick, secretary of the Greater Philadelphia Council of Churches. Her topic was "Laugh and Live" and she gave us many chuckles along with a beautiful formula for living well together. Evensong was conducted by Bishop Hart. A fine supper was served by the Women of St. Peter's for the men and women of the Convocation. After this we had lots of fun at a Halloween Party which gave us opportunity to know each other better.

At all meetings, our devotional chairman is Mrs. Lela Williams, who is well-qualified for this work.

The Convocation has sent funds to the Episcopal Founders Committee, the Rev. Mr. Cole (for his organ fund), St. Anne's Players, Chineses Christian Church and Center, Elizabeth Price Martin League, # 2, the Daily Vacation Bible School at St. Simons, a scholarship for the Conference Center, the Divinity School of Philadelphia and money for Christmas Treats to the Church of the Crucifixion and St. Philip's Church.

Respectfully submitted,

MAYBELLE MARSTON,

REPORT OF

THE CONVOCATION OF WEST PHILADELPHIA

The Spring Meeting of The West Philadelphia Convocation was held at Calvary Church, Northern Liberties on April 28, 1960. The Convocation elected The Rev. Paul Washington, Vicar of St. Cyprian's Mission, as Clerical Representative to the Executive Council, and Mr. Claude Gilkyson, as Lay Representative.

The Rev. Ralph Rogers, Chairman of the Strategy Committee submitted a report giving statistics relative to the parishes and missions of the Convocation. It was also suggested that a change of location for St. Cyprian's Mission from the Eastwick area be considered.

The speaker at the evening was The Rev. Canon Harold R. Landon, Canon Residentiary of the Cathedral of St. John the

Devine, New York. He presented an interesting address on his missionary work in Uganda, East Africa, Diocese of the Upper Nile.

The Fall Meeting was held at St. Mary's Church, Hamilton Village, on Thursday, October 20, 1960. The Strategy Committee submitted a report relative to St. Cyprian's Mission, Eastwick. The following recommendations were made: First, that the Diocesan exercise his authority in bringing about a merger or satisfactory working agreement between St. Cyprian's and St. George's Aided Parish, which will use the facilities of St. George's and a team ministry of the Reverend Frs. Edwards and Washington; not neglecting to consider the offer of the Church of the Crucifixion to join forces in the mentioned arrangement. Second, that in the event the first recommendation fails the property situated at Cobbs Creek Parkway and Locust Street be purchased for the relocation of St. Cyprian's and permission granted for the merger of St. Cyprian's and the Church of the Crucifixion. Third, that in the second recommendation fails no further action be taken and that the Vicar and congregation of St. Cyprian's be informed immediately that this is the decision of the Diocese, so that they may be free to make their own decisions as individuals in regard to their future Church and Parochial affiliations.

A report was submitted by The Rev. Edward Rememter, representative from the Convocation to The West Philadelphia Corporation, an organization designed to study the situation in the West Philadelphia area relative to changing population and re-development.

A report of the Committee to consider the possible re-bounding of the Convocations of the Diocese was presented by The Rev. Dr. Bomberger. It was the opinion of the Committee that there appears to be no advantage in changing the present area of the Convocation of West Philadelphia.

The speaker at the evening session was The Rev. Edwin Bennett, Director of College Work in the Diocese, who gave an informative address on the importance of the work of the Church among college students in our area.

Some progress has been made in the two Missions of the Convocation, St. Cyprian's, and St. Monica's, despite the fact that both are located in areas which are changing because of re-development and incoming commercial aspects.

As to St. Titus Mission, Eastwick, a final service was held on Christmas Day. St. Titus Mission has been administering to the spiritual needs of the Eastwick area for the past three quarters of a century. Many families have grown up around this homelike edifice and many persons have devoted their time and efforts to advance the Kingdom of God in this place. A number of devout persons have passed through here as Seminarians advancing to the Priesthood. A number of priests have served here with distinction. Unfortunately, while the Church did not, throughout these many years, progress beyond the status of a Mission of the Diocese, due to various circumstances, the fact remains that it has always met the challenge of the neighborhood with quiet dignity and ready to serve those in need of its services.

However, progress in one's City always requires changes which must be met for the good of the most people. The Re-development of the Eastwick area is part of the program of our City, and St. Titus Mission located in this area is to be razed in order to improve the plan of the whole area.

The Advisory Board of the Mission endeavored to keep the Church services functioning during this change-over period. but due to the number of families moving out of the neighborhood, and the closeness of St. James Church, Kingsessing, at 6838 Woodland Avenue, it was decided after due consideration, to terminate the services of Divine Worship in this edifice with the service of Holy Communion on Christmas Day. Thanks and appreciation are extended to The Rev. Melvin M. Heckler, and Mr. Andrew T. Patterson, lay-reader, for the fine work which they did in the last years of the history of St. Titus.

Although there are many difficult situations in the Convocation, I have been most encouraged by the devoted and dedicated leadership of the clergy and laity. I am deeply grateful for their cooperation, loyalty, and dedication to the advancement of the Kingdom of God in this area.

The Women's Auxiliary to the Convocation has been a vital force in the well being and welfare of the Convocation. I express my thanks and gratitude to Miss Marry L. Smythe and her associates for their fine work and constant endeavors.

The newly elected officers of the Women's Auxiliary are as follows: Mrs. W. Howard Riegner, Chairman, Mrs. E. E. Briggs,

Vice-Chairman, Mrs. J. Flossie Reddick, Secretary, Mrs. Robert Kidd, Treasurer.

REPORT OF THE WOMEN'S AUXILIARY TO THE CONVOCATION OF WEST PHILADELPHIA

On January 21, 1960 the women met at St. Barnabas, Haddington for their Education Day. A group from St. Anne's Parish, Willow Grove, told, in the form of a skit the work done by The Rev. William D. Eddy, a gifted missionary in charge of the Hokkaida University Center, Sapporo, Japan.

In April at Calvary Church a Quiz Program was presented by the Women of St. Anne's. The subject was the Missions of the Church.

Mrs. James Heckel, Chairman of the nominating committee made the following report of the new officers:

President—Mrs. W. Howard Riegner
Vice-President—Mrs. Elmer Briggs
Secretary—J. Flossie Reddick

The October meeting was held at St. Mary's, Hamilton Village. Mrs. Siter Owen, the newly elected Diocesan President addressed the group..

The United Thank Offering was the theme of a skit offered by the women of St. Mary's.

The principle source of income for the year was from coin cards.

The Convocation of West Philadelphia is in a period of anxiety as to its future because of the enormity of the City's Re-Development Plans in the area.

St. Titus Mission has closed.

St. Cyprian's people have remained loyal and services are continuing even though many of the parishioners have moved away.

St. Monica's have asked for no assistance.

It is felt advisable to build up our reserve until the time comes when we shall be called upon for assistance.

ANNUAL REPORT OF 1960

The Department of Christian Education serves the diocese through its main divisions and sub-committees. Report of these groups follow and reveal the extensiveness of the department's activity. The quarterly department meetings bring together the various division personnel and facilitate a mutual understanding of each other's concerns.

Adults are the standard and value setters of our age. Children are the recipients of these standards and values. Hence the department has emphasized adult work this past year. We who have been baptized are commissioned to be faithful and constant disciples. Mr. Peter Day, author of *Saints of Main Street,* led a helpful conference for the department on the 'Ministry of the Laity.' Several members of the department were also privileged to participate in a provincial Conference led by Dr. Kathleen Bliss, Director of the Board of Education, Church of England, on "The Ministry of the Laity and Parish Life." This conference was sponsored by the National Department of Christian Education. The Rev. Canon Edward N. West of the Cathedral of St. John the Divine, New York City, will lead a similar conference in April, 1961—Bishop Hart's Clergy Conference at Mt. Pocono. This is part of the Advanced Adult Education program of the National Church. These are the high points of the department's concern in strengthening adult work.

Under the Leadership Training Division three new training designs were initiated this year. A Parish Leaders' Institute which brings together adults who, through actual group experience, develop increased sensitivity and human relations skill and come to a better understanding of Christian leadership. Such an institute is an excellent tool commended by the department for more extensive use. The Teacher Training Workshop provides help, again through actual experiences, for clergy in the training of teachers and leaders. The department is sponsoring in October an Institute on Adult Education (The Indiana Plan) with Dr. John McKinley of Indiana University as the leader.

This year will be remembered by our young people primarily as "the year the swimming pool was built" at the Conference Center. For the adults who are concerned with our summer conference work it meant being able to extend that program and bring almost twice as many of our Church's youth into what many consider to be the most effective Christian Education program for young Churchmen. The department is deeply appreciative and grateful to Bishop Hart and the diocese for making this possible.

Miss Newman, our Executive Secretary, has been appointed by the Presiding Bishop to serve on the Advisory Committee of the Leadership Training Division of the National Council.

Time and manpower are necessary ingredients of any program. As the diocese grows and an awareness of each person's responsibility in Christian Education widens, the department's work has increased. The department is deeply concerned that with the present size of the staff we cannot meet effectively the opportunities arising—a Youth Director who would be responsible for the various activities of the Youth Division, especially the summer conferences, would prove invaluable—and additional help in the office is a necessity. The department hopes the diocese will seek ways and means to make these two positions possible.

ADULT DIVISION

The Rev. T. Norman Mason, Chairman

This division completed two studies which were begun last year, *i.e.,* Preparation of a pamphlet on parish opportunities for adult education and the need for a diocesan school of religion on an "advanced" level. It was decided not to publish a pamphlet but to use the *Memo* as a channel of communication of ideas and informa-

tion. The survey regarding the need for a school of advance study in religion for laymen clearly indicated the clergy felt this was not needed.

The Chairman and several members of the Adult Division attended a conference in February on "The Ministry of the Laity and Parish Life" led by Dr. Kathleen Bliss, Director of the Board of Education, Church of England. This conference created a desire to share with others their interest and concern in this area of Church Life. An overnight conference for clergy and lay was held November 17 and 18 at the Conference Center. Mr. Peter Day of the Living Church and author of "Saints on Main Street" was the leader.

The Adult Division accepted from the Leadership Training Division the responsibility for planning the Diocesan School of Religion. The theme: *The Church Speaks . . . Through You.* The dates: January 26, 27 and 30, 31, 1961.

Another concern of this division has been the need for a diocesan coordinated adult education program. Bishop Hart requested the Chairman to be the convener and call together heads of all departments and divisions responsible for such programs to work toward a coordinated program.

Two Parish Life Conferences were held—one in the winter and another in the fall. Each PLC continues to have at least one new parish participating.

Plans for Bishop Hart's Clergy Conference (part of the Advanced Adult Education Program of the National Church) got underway with Canon West as leader—Theme: "The Liturgy and Parish Life." Time: April 17-21, 1961.

Children's Division

Mrs. Walter W. Miller, Chairman

This division prepared five issues of the *Memorandum from Room 30* which incorporates the dates and doings of the department and special seasonal helps. There is an increasing interest in and appreciation of the *Memo* expressed by both clergy and lay people.

The 90th Annual Church School Institute was held at the

Christian Association on October 3 with Dr. D. Campbell Wyckoff as speaker. The theme was "The Gospel and Christian Education."

The Children's Division evaluated the Institute and presented a resolution to the department to discontinue the Institute as a center city project. This resolution was passed and the division is now studying means of having similar programs in different areas of the diocese.

Christmas Box. The department mailed to every parish and mission a list of missions and institutions needing gifts. Direct contact with the mission or institution of their own choice was then made. All needs were finally met but certainly not equally.

Vacation Church School. Excellent material from our national department was produced this year to go along with that produced in 1959. It was enthusiastically welcomed by the many parishes utilizing the precious free weeks of summer for a vital educational program.

Weekday Religious Education. We keep abreast of the laws and court decisions through the Greater Philadelphia Council of Churches and participate in their program for teachers in the field of religion and public education.

Presentation Service Committee

The Rev. Edward B. Pollanick, Chairman

The 1960 Church School Missionary Offering amounted to $25,528.36.

The Service was held May 8, 1960, on the grounds of the Cathedral Church of Christ with children in the choirs. The committee did a magnificent job of preparation. The Young People's Fellowship presented a pageant, "Brimstone—or Fire," directed by the Rev. Robert M. Baur. The rain held off until the recessional.

Church School-by-Mail

The Rev. Joseph H. Laird, Chairman

Twenty-three new pupils were received into the Church School-by-Mail making a total of 153 on roll during the year. Four are now attending Church School, 21 have moved or outgrown the work, leaving 132 at the end of the year.

Nine city and suburban parishes used this service for 11 sick or handicapped children. Four parishes with outlying country areas provided workers to send and correct lessons and visit families.

Out of 48 families, 37 or 76½% responded with returned question sheets. Of these, 25 were regular, 12 irregular. Those that did not send in written work mailed cards or letters, or when visited, were found to be reading the books. Their missionary offering was $13.25.

Eighty-nine visits were made to families already enrolled and on new families.

Christmas presents were provided through the scholarship donors and participating parishes. Five families were helped through social service by the parish in which area they reside.

Two hundred and fifteen ($3.50) scholarships were received from the Episcopal Church Women, Church Schools and other organizations and individuals. The cost per child has increased to $5.50 but the increase is covered by the additional scholarships.

Youth Division

Episcopal Young Churchmen's Council:

The Rev. Otho S. Hoofnagle, Diocesan Youth Advisor and Co-chairman of Youth Division

Parish Life Conference—January 29-21.

Annual Episcopal Young Churchmen's Service—February 7th. The theme of the service: "One Nation Under God" was dramatically presented in a dialogue by the Rev. Donald L. Farrow and the Rev. Layton P. Zimmer.

Elected Officers of the Youth Council—1960-1961: Anna Lo, Chairman; George Tallman, Vice-Chairman and Carole Whittell, Secretary.

Youth Convention at Denbigh—April 30—with 300 in attendance. The theme: "The Church Needs Us? Why?" was presented by two panels—one of young people: Robert Carpenter, Judith Ullery, George Tallman and Harry Shaw—and one panel of adults: Bishop Hart, Mrs. George C. Bland, Mrs. Philip E. Sellers

and the Rev. G. Crofton Thompson. The discussion was moderated by the Rev. John F. Hardwick.

An added attraction at Convention this year was the nine-piece Steel Band of Colegio San Justo of St. Just, Puerto Rico.

The Convention also adopted *Operation Swimming Pool* which is a plan whereby the youth of the diocese contribute toward the goal of $1000 a year, for five years, to show their appreciation for the new swimming pool at the Conference Center.

Youth Council Planning Weekend—September 9th-11th at Denbigh.

District Youth Meetings—October 9th. Nine exceedingly interesting meetings were held throughout the diocese. The theme: "Visions in light of our Decisions" was presented by a different speaker at each meeting.

Summer Youth Conferences

The Rev. G. Crofton Thompson, Chairman and Co-Chairman of Youth Division

Five Summer Conferences in 1960—three senior high and two junior high. There were 336 young people and 77 staff members involved in the conference program.

This year a very important and vital addition to the total conference program was the new swimming pool at the Conference Center.

Reunions were held for both age groups in January, 1961.

Youth Division

The Rev. John F. Hardwick, Governor and Co-Chairman

This division meeting in extended session in November discussed freely the youth program in the diocese and decided to experiment in a district activity emphasis in 1961.

Leadership Training Division

The Rev. Alfred Vail, Chairman

Mrs. Arthur C. Moscrip, Assistant Chairman

Six area Adult Leadership Schools were held January 14, 15 and

18, 19th with more than four hundred persons attending. The theme was, "The Prayer Book Speaks."

Under the leadership of the Rev. William J. Coulter of the National Council two exceptionally valuable leadership training conferences—Teacher Training Workshop and the Parish Leaders' Institute—for clergy and directors of Christian education—were held in February. In December, under the Rev. Mr. Coulter, a conference was held in Consulting. These three training designs are first being offered to clergy and Directors of Christian Education as the recognized parish educational leaders. Later, the Parish Leaders' Institute will be offered to parish lay leaders.

A second Teacher Training Workshop was held October 12-14th with leaders from this division.

At the request of this division the Adult Leadership Schools were transferred to the Adult Division and will now be known as the Diocesan School of Religion.

The Leadership Training Division is continually interested in presenting training facilities for all leaders in the Church. Where the work is sometimes looked upon as being specifically for teachers in our Church Schools, it is hoped that more and more vestrymen and leaders in women's groups, etc., will avail themselves of the training that is being presented.

Audio-Visual Committee

The Rev. Kenneth C. Werner, Chairman

The use of audio-visuals, membership in the Audio-Visual Cooperative and our library of films, filmstrips and slides all continue to grow. And the use of the *Memo* to keep parishes informed of all new additions to the audio-visual Library is very effective.

Through a new set-up we are now members of the Audio-Visual Resource Guide Associates and our parishes may purchase the Audio-Visual Resource Guide for less than one-third the former price. It is now $2.95.

We read these reports and events too quickly to appreciate the amount of time, talent and treasure involved. The diocese owes much to those whose efforts are here reported. No one can overlook the great assistance which the volunteers, parish clergy, directors of Christian education and other laymen and staff exhibit in the effective work of the department. Indeed, these individuals are the Department of Christian Education and deserve the appreciation of the diocese and its continuing prayers.

Respectfully submitted,

Elbert K. St. Claire,

Chairman

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

Annual Report—1960

The most notable feature of the work for the past year has been that Christian Social Relations has not been a voice crying in the wilderness. The Department has not "lead" the Diocese, but, rather, has had to implement the social concerns of the Diocese which were generated by many more than those Churchmen appointed by Executive Council to the Department. Last year's Department experience substantiates the editorial observation that,

> "Christian social relations has truly broken through into the life of the Episcopal Church."

This has called for closer and more effective relationship between this Department and those of Christian Education; College Work; Episcopal Churchwomen, Diocese of Pennsylvania; Laymen's Work; and Promotion. This Department's work was also strengthened by the relationship of the Diocese to the Greater Philadelphia Council of Churches, the Central Committee on Christian Social Relations of the Five Dioceses of the Protestant Episcopal Church in the Commonwealth of Pennsylvania, and the resources made available to us through the National Council. Contributions of the Diocese to the Greater Philadelphia Council of Churches, the Pennsylvania Council of Churches, the National Council of Churches, and the World Council of Churches are also made through this Department's budget appropriation.

The Division of Christian Citizenship under the leadership of Henry Thomas Dolan, Esq., has been working in four areas.

The Committee on Capital Punishment has sought to implement the 1959 Convention Resolution seeking repeal of laws providing for Capital Punishment and requesting intercession in behalf of those under sentence of death. It was largely responsible for a "Background Paper" on the subject which will shortly be issued by the National Council.

The Committee on the Christian and His Daily Work now under the chairmanship of the Rev. William E. Danforth, Ph.D., met regularly this past year with Mrs. Milton Price Harley. It was gratified in having some parishes and missions use skits it has produced to stimulate initial consideration of the subject, and to have Episcopal Churchwomen use them in program suggestions.

The Committee on Racial Understanding continued its work under the chairmanship of the Rev. Daniel B. Stevick. It has had conferences, at their request, with church related organizations of the Diocese looking toward implementing the 1958 Diocesan Convention Resolution on the subject. It has been instrumental in having a series of "frank conversations" between people of various racial backgrounds within the Church, both clerical and lay. Highlight of these efforts was a clergy conference sponsored by Bishop Hart at Seabury House last fall. The committee wishes to note the work of unofficial organizations such as the Episcopal Society for Cultural and Racial Unity which work prophetically in this area.

Under the chairmanship of Mrs. Charles Myers the work of the Committee on the Legalization of Gambling was climaxed by a Spring Institute on the subject. The program for the four area meetings given by the Rev. Stanley F. Hauser of Charles Town, West Virginia and the Rev. C. E. Hopkin, Ph.D., of the Philadelphia Divinity School was recorded, and it is gratifying to note that more people heard the recordings afterwards than at the scheduled Institute meetings.

The most notable work of the Division of Health and Welfare Services, chaired by the Rev. Stanley R. West, D.D., was by the Committee on Church Related Agencies chaired by the Rev. Ernest A. Harding, D.D. Through the good offices of Bishop Hart, ten agencies in the Diocese serving the aging and chronically ill formed an Exploratory Committee to consider how they might best address themselves to the needs of the Diocese in this area. The Exploratory Committee has engaged the efforts of nearly a hundred, has had over twenty committee and subcommittee meetings, has benefited by the insights of outside consultants, and has involved the observations of parish clergy of the Diocese in its planning. A report of this Exploratory Committee on the Agencies in the Diocese Serving the Aging and Chronically Ill is presented separately to this Convention, but the Division feels that its basic philosophy that the aging be helped to live in the community as long as possible is worthy of mention here.

Martin P. Snyder, Esq., convened the Division of World Relief and Inter-Church Aid. Currently its work is divided into two fields: that of Refugee Resettlement and Legislation chaired by the Rev. Ralph K. Rogers; and that of promoting the Presiding

Bishop's Fund for World Relief under the chairmanship of the Rev. Joseph H. Laird. In the year 1960 two Indonesian families were resettled by parishes in the Diocese and the committee hopes other parishes and clergy will extend this work. Diocesan support of the Presiding Bishop's Fund shows a marked increase over the previous year. Church people are becoming aware that contributions to disaster areas may be made to the Diocesan Treasurer for the Presiding Bishop's Fund at any time.

We close this report with an expression of appreciation to our Bishops whose strong support of the concerns of the Department is over and above the call of duty.

Respectfully submitted,

SYDNEY L. W. LEA, *Chairman*

To promote, develop and expand the participation of the laymen of the Diocese in the four areas of the layman's responsibility, Deepening the spiritual life, extending the impact of Christianity on the world, supporting the Church's program, and recruiting the skills and talents of men, is the stated objective of the Department of Laymen's Work.

The task is carried out by the work of three Divisions and two committees. The Divisions of Spiritual Life, Evangelism and Stewardship, and the committee on Parish Representatives, and the committee of Promotion and Publicity.

The effectiveness of the work of the Department depends very largely on the effectiveness of the Parish Representative. This important man represents the Parish to the Department, and the Department to the Parish. He receives communications from the Department alerting him to program and projects. He then is to contact his Rector or Vicar, determine his wishes and offer to help if action is indicated. Obviously, for the sake of the parish as well as the department, the Parish Representative must be a capable and devoted man. At present, out of approximately 200 parishes there are 108 who have seen fit to appoint men to this important post. The Department members are going to make an effort to contact all parochial clergy in an effort to have on file the name of a representative from every Parish.

In 1960 a group of men devoted considerable time to preparing themselves to explain to Vestries and other Church groups, the work of the Diocese and the various items on the Diocesan budget On the invitation of several parishes these men spoke on this subject. Meetings to help the parish canvass committees were held and were well received and attended. Individual parishs requesting aid in their fund raising efforts were helped by special conferences and department members assigned as resource persons.

The resources of the department were offered in the promotion of the Presiding Bishop's Fund for World Relief; a representative was sent to a seminar on the work of The United Nations; the diocesan-wide adult education effort of the Brotherhood of St. Andrew, "OPERATION LAMPLIGHT" was supported by the Division of Spiritual Life; and a Department Newsletter was launched by the Committee on Promotion.

The highlight of the year was the address by The Rev. Samuel Shoemaker, of Calvary Church in Pittsburgh. 760 people gathered at Holy Trinity Church to hear his message. This event was a part of Laymen's Week which included other events under the auspices of various organizations of laymen in the Diocese.

The Department of Laymen's Work operates on a small budget, ($2,175.00 in 1960) on the principle that as much as possible be done as volunteer effort of the men.

Respectfully submitted,

(The Rev.) James G. Ludwig, III

APPENDIX K

THE CHURCH FOUNDATION

Report to the Diocesan Convention on May 1, 1961

Bishop Hart and Fellow Deputies:

The Annual Report of The Church Foundation is presented herewith, giving detailed information regarding our activities in the investment of funds held as trustee as well as the insurance and real estate transactions of properties to which we hold title.

The aim of The Church Foundation is to handle Church Funds and Properties put under our care in an efficient manner. The Bishop of the Diocese serves as President, and our Board is composed of twelve laymen and three clergymen who contribute their experience in various fields of service. The list of our Committees is shown on page three of the report. The supervision of our investments and insurance is part of the duties of these Committees. Legal matters and trust agreements come under the supervision of the attorneys serving on our Committee on Trusts. I wish at this time to express our deep sense of loss by the death of Robert T. McCracken, Esquire, who was Chairman of this Committee. He always contributed most generously of his valuable legal counsel. He was of invaluable assistance in giving his time and his talents for the work of the Church.

Our invested trust funds have been increasing steadily year by year. Last year we received for the first time a legacy of over one million dollars. This is known as the Nunns Memorial Fund, and the income is used at the discretion of the Bishop for necessary work in the Diocese. Eleven other new funds were placed with us last year for various purposes, totaling $105,437.86. We also received $121,114.53 as additions to 39 of our existing trust funds invested in the Consolidated Fund for Consolidated Legal Fund.

Our Consolidated Fund is a well diversified Common Trust Fund which is fully described on pages 17 to 24 of this report. It is interesting to note that the market value of the Fund amounts to over eight and one-half million dollars as of the appraisal on March 3, 1961. There were 440,530 units outstanding having a purchase cost of $5,882,930.10 or an average cost of $13.35 per unit. The latest unit value is $19.38 which is a new high value. However, the distributed income per unit has increased each year since the Consolidated Fund was established in 1943, a summary

of which is shown on page 16 of our report. A list of participating funds is shown on pages 25 to 28. A description of our Consolidated Legal Fund together with the list of participating funds is given on pages 29 to 34 of our report. The participation was increased by approximately $100,000 due to transfer of the required percentages in our Cemetery Funds to conform with the present law.

The income return from investments in both our Consolidated Fund and Consolidated Legal Fund has been maintained at a satisfactory level. The administration charges are a reasonable percentage of income and there are no charges on principal as noted in our report.

All funds invested with The Church Foundation have the advantage of continuous supervision by our Investment Committee.

As part of our insurance services, we sent a questionnaire over a year ago to the 66 Parishes to which we hold title regarding the necessity of carrying Boiler and Pressure Vessel Insurance. There are certain pressure vessels which are required by law to be periodically inspected, but such inspection is afforded automatically if this insurance is carried. Since there is considerable risk of explosion damage which would not be covered by fire insurance with extended coverage, the boiler and pressure vessel protection is important, if required. Of the 46 replies received, 22 reported carrying the proper insurance, 10 had made no inspections, and the others were investigating the matter. There were no replies from 20 Parishes. We hope that this matter will receive attention by all Parishes. There is a Diocesan policy covering all subject vessels in Mission properties.

The Provident Tradesmens Bank and Trust Company acts as our fiscal agent and has custody of all securities, insurance policies and real estate deeds. This provides a safeguard to all funds and properties under the jurisdiction of The Church Foundation. The bank also keeps all records of our various funds, prepares income distribution checks and makes a reasonable charge for all these services. The Church Foundation is supplied with an office free of charge.

We have mailed copies of our Annual Report to the Accounting Wardens or Treasurers of all Parishes and Missions and Church organizations in the Diocese, together with an explanatory letter in each case. Extra copies of our report are available upon request to our office.

We have received inquiries from time to time from Churches and Church Institutions who were interested in the possibility of placing capital funds under the management of The Church Foundation. I personally will be very happy to attend Vestry meetings or meet with any group to discuss this matter and give further information about the operation of The Church Foundation.

I wish to take this opportunity to express my thanks to our President, Bishop Hart, and all members of our Board for their helpful assistance in various fields of service. It has made my work a most rewarding experience.

Respectfully submitted,

E. Osborne Coates
Executive Vice-President

On gifts to Churches, donors are allowed a deduction up to 30% of adjusted gross income per year for income tax purposes. This compares to a maximum deduction of 20% in the case of many other charities.

Endowment Fund of the Episcopate

During the year 1960 gifts to the Endowment Fund of the Episcopate amounting to $27,169.77 were received from the Diocese, which includes ten percent of the Bishop's Offerings at Confirmation Services. This compares with $5,310 received in 1959.

The Church Foundation acknowledges, with thanks, the receipt of these donations.

As of December 31, 1960, the Endowment Fund of the Episcopate was invested in 52,830 units of The Church Foundation Consolidated Fund having a book value of $712,347.90. The average cost of these units was $13.47 each, whereas the market value was $17.69 per unit as of the appraisal on December 5, 1960.

The Diocese received income disbursements of $37,074.10 from this Fund during the year 1960, compared to $35,648.66 in 1959.

The net income return last year was 5.2% on the cost basis of the units in which the Fund is invested.

Cemetery Funds

Act No. 432 Pennsylvania Legislature effective October 13, 1959 provides that every religious corporation maintaining a cemetery shall set aside annually a sum of at least 15% of the proceeds from the sale of burial lots for perpetual care of the grounds. The Act stipulates that such sums shall be invested only in securities designated as legal investments for trustees under Pennsylvania law.

We hold eight Cemetery Funds, as trustees, which had been invested entirely in our Consolidated Fund, comprising sums sent to us from sale of lots, ranging from 20% to 100% of such sales.

In addition we hold four funds, as trustees, which were received as legacies for perpetual care of certain lots. Since these funds were not released from investment in legal securities, they were transferred in entirety to the Consolidated Legal Fund.

In two other funds received as legacies for perpetual care of lots, release from investment in legal securities was stipulated under the terms of the trust. Our investment in the Consolidated Fund was retained in these cases.

To meet the requirements, a total of 3,711 units of the Consolidated Fund were redeemed as of the appraisal period of June 3, 1960.

These units had a book value of $46,822.26 and a redemption value of $65,831.99. There has been a capital gain in all our cemetery funds that were invested in our Consolidated Fund.

The above proceeds were invested in our Consolidated Legal Fund.

A letter was written to all the Churches having Cemetery Funds with us, advising them of the transfers that had been made to conform with the new act.

Mr. William White, Jr., the Chancellor of the Diocese, and present Chairman of our Committee on Trusts, rendered valuable assistance in this matter.

St. John, Kelton, Cemetery Fund

This cemetery belonged to a Church closed for a long time. After years of endeavor, title to the cemetery has been cleared and the lines established with the abutting owner, who claimed part of the property.

The first deed was acquired in 1744 by the Church of England and a second one in 1792.

A new deed has been obtained, and the title has been insured by the Commonwealth Land Title Insurance Company. Total expenses for acquiring the title and erecting a fence to establish the lines of the property amounted to $1,451.50. The accumulated income in the fund which we hold for this cemetery amounting to $886.98 was used for this purpose. The remainder was taken from principal. The original book value of the fund was $2,000.71 and had been invested in the Consolidated Fund. When redeemed the amount realized was $3,459.61. The fund is presently invested in 294 units of the Consolidated Legal Fund having a book value of $3,149.75.

We are especially indebted to Mr. Edwin H. Melhorn, Asst. Vice-President of the Provident Tradesmens Bank and Trust Company, for his valuable assistance in attending to the necessary details involved in bringing this situation to a satisfactory conclusion.

Funds Withdrawn

The following withdrawals were made on request of the Parish Authorities by redemption of units of the Consolidated Fund:

	No. Units	Cost Value	Redemption Value	Capital Gain
Epiphany, Royersford Building Fund	85	$ 930.24	$ 1,504.39	$ 574.15

LEGACIES

The following legacies were received during the year 1960.

Estate of the Rev. Francis W. Bonynge

Under the will of the decedent who died May 9, 1959 a legacy of 500 pounds was bequeathed to The Church Foundation. On March 11, 1960 a check in the amount of $1,399.32 was received and added to our Church Foundation Fund.

Estate of Frederick W. Bussenius

Under the will of the decedent who died July 9, 1959, The Church Foundation was designated as beneficiary of the residuary estate. Cash settlement of the estate was made during 1960, after liquidation of the assets, both real and personal, by the Executor. A new fund has been established having a book value of $49,500 which is being used as a Pension Reserve Fund.

Estate of Harriet D. Newbold

Under the will of the decedent a legacy of $10,000 was bequeathed to the Trustees of the Protestant Episcopal Church in the Diocese of Pennsylvania towards the Bishop's Discretionary Fund. The Church Foundation, as successors to the Trustees of the Diocese, received this legacy on August 18, 1960 from Mr. F. Eugene Newbold, Executor of the estate of his mother. As stipulated in the will, the principal has been invested and the income is being disbursed quarterly to the Bishop to be used at his sole discretion.

Estate of Mary Frances Nunns

Under the will of the decedent, who died April 2, 1959, The Church Foundation, as the designated Trustee of the Protestant Episcopal Church in the Diocese of Pennsylvania, was named the residual legatee. The will specified that the income shall be used at the discretion of the Bishop of Pennsylvania for the good of the Diocese.

The securities comprising the residual estate were carefully reviewed by our Investment Committee. As a result, certain securities were sold and the remaining securities were delivered to the

Provident Tradesmens Bank and Trust Company, our Fiscal Agent, on May 11, 1960. The new fund established from this legacy is named the Nunns Memorial Fund, having a book value of $1,110,728.65.

Estate of Caroline Parker

Under the will of the decedent who died May 17, 1959, The Church Foundation was named as beneficiary of one-third of the residuary estate as an addition to its Endowment Fund. Cash settlement was made on August 3, 1960 by the Executor, and the proceeds amounting to $15,519.39 have been added to our Church Foundation Fund.

The present Pennsylvania and Federal Inheritance Tax Laws provide that any bequests made to organizations operated exclusively for Religious or Charitable purposes are exempt from inheritance taxes.

Christ, Eddington — On May 26, 1960, a check for $1,000 was received from Bensalem Township as payment of damages for the rights of way granted for the construction of sewer line on the property purchased by The Church Foundation for use in building a new Church and Rectory for Christ Church, Eddington. This was deposited in the Building Fund which we have for Christ Church, Eddington.

Building Contracts

Christ Church, Eddington: under date of June 28, 1960, a building contract in the amount of $34,372 was signed with J. Madison Heppe for the construction of a rectory for Christ Church, Eddington. This dwelling is being built on the property which was purchased by the Diocese in 1958 for the relocation of the Church.

The Diocese has turned over $70,000 to us for this project. The architect is Charles F. E. Wagner, assisted by Roland T. Addis.

INSURANCE

The Church Fire Insurance Corporation have notified us that they have been admitted to do business in the State of Pennsylvania and been admitted to membership in the Middle Department Association of Fire Underwriters. They are now subject to certain restrictions which have not affected them heretofore. They will now be required to insert the 80% coinsurance clause on all policies of Fire Insurance, Extended Coverage and Vandalism and Malicious Mischief. Formerly the 80% coinsurance clause was deleted on all properties to which we held title. We operated with an understanding that we would adjust the insurance to 80% of appraised value on all Mission properties whenever the Church Fire Insurance Corporation submitted an appraisal. The Parishes to which we hold title have always been urged to rectify any shortages after appraisals, to bring their insurance up to 80% of insurable value. Under the new system, such Parishes may be penalized in case of loss if they are not carrying the necessary amount of insurance.

The Church Fire Insurance Corporation rates continue to give the benefit of the 20% discount below the rates established by the Rating Board.

They would now prefer to make their billings on an annual basis, but will continue to send bills quarterly when requested to do so.

The following is a list of properties at which increases in fire insurance were recorded during the past year.

Electrical Inspections

Twenty-one of the twenty-seven Mission properties at which improvements were recommended, reported full compliance with the requirements during the past year.

There were also five Diocesan properties which required improvements, including the Diocesan Conference Center.

The last electrical inspections were made by the Middle Department during 1959. It has been recommended that electrical inspections be made bi-annually, and it is planned to arrange for these inspections again during the year 1961.

Boiler and Pressure Vessel Insurance for Parishes

There are certain pressure vessels which are required by State Law to be periodically inspected. Such inspection is afforded automatically with Boiler and Pressure Vessel insurance. There is a Diocesan policy covering all subject vessels in Mission properties. The Parishes to which title is held are not included in that policy. Since there is considerable risk of explosion which would not be covered by Fire Insurance and Extended Coverage, and since the Parishes must secure inspection either directly from the State or through an insurance policy, it was felt that specific information should be obtained about the Parishes.

A questionnaire was sent to the 66 Parishes to which we hold title and we received 45 replies. Of this number, 21 Parishes reported carrying insurance. Conditions at the other Parishes which reported vary.

The least that can be said for what has been accomplished is that through the efforts of our Insurance Committee, the subject has been brought as forcibly as possible to the attention of the Vestries of these Parishes.

The following Parishes and Missions have placed fine arts insurance during the year 1960.

Public and Institutional Property Plan

There is a new plan for Fire Insurance, Extended Coverage, Vandalism and Malicious Mischief insurance which offers advantages both in coverage and rate to Church properties that qualify.

The Department of Finance and the Insurance Committee of The Church Foundation have made a thorough study of the plan and the Diocese has approved it for the Church House, Conference Center and Fellowship House, and have recommended it to eight Missions which pay annual premiums of $300 or more.

The reason it is not being applied to all missions is that each property must have facilities for making three self-inspections each year.

INVESTMENT

Management

Capital Funds placed in trust with The Church Foundation are invested under the direction of our Investment Committee. The security portfolios comprising our Consolidated Fund and Consolidated Legal Fund are under the constant supervision of our Investment Committee.

The Church Foundation also has the benefit of complete banking facilities through the Provident Tradesmens Bank and Trust Company who act as our Fiscal Agent. Their services include bank

custody of all securities, keeping records of all funds under our charge and preparation of income checks for distribution with accompanying statements. For these services a reasonable administration fee is charged against the income of the various funds as noted on pages 16 and 29.

Investment Policy

Our Investment Committee has continued its policy of obtaining the best income return for our funds consistent with sound investment practice. However, the capital growth potentialities of certain common stocks has also been given consideration. Special attention has been given to building up the proportionate number of bonds maturing during the next ten year period to about 40% of total bond holdings in the Consolidated Fund as a step toward the protection of capital.

CONSOLIDATED FUND

Each unit of the Consolidated Fund has a participating interest in a well diversified portfolio of securities in various industries consisting of bonds, preferred stocks and common stocks. A statement of investment holdings together with an investment summary is shown later in this report. This Fund is not restricted to legal investments for Trustees.

Income

Gross income amounted to 74.99 cents per unit for the four quarterly periods of 1960 compared to 73.2 cents per unit for the year 1959. These earnings keep unbroken our record again this year of increased earnings per unit, which has been the case every year since the Consolidated Fund was established in 1943. During this period the yearly income for distribution has increased from thirty-eight cents per unit, or practically doubled.

Yield on Investment

On the basis of the unit value of $17.69 on December 5th, the income yield would be 4.23%. The average purchase price of the 440,530 outstanding units as of December 31, 1960, was $13.35 each, and on this basis the average income yield would be 5.6%.

Capital Growth

The net profit on securities sold during 1960 amounted to $42,383.09. The total accumulated net profit on securities sold since the inception of the Consolidated Fund amounts to $445,840.19. These profits are not subject to the capital gains tax according to the Internal Revenue Code. All proceeds from the sale of securities have been re-invested in the Consolidated Fund.

There is also an Amortization Reserve Fund, invested in U. S. Savings Bonds, having a value of $10,460.28, which is used for writing down premiums on short term bonds purchased over par.

The 189 participating funds are grouped below in accordance with size and amounts as of December 31, 1960, showing a total purchase cost of $5,882,930.10 for the 440,530 units outstanding. The securities in the Consolidated Fund had a market value of $7,663,115.30 as of the appraisal on December 5, last.

CONSOLIDATED LEGAL FUND

The Consolidated Legal Fund was established in 1953 when the original units were priced at $10 each. It is primarily a medium for investment of trust funds which are restricted to Legal Investments. This Fund is limited by statute to one-third of its market value in approved common stocks and is therefore less subject to wide fluctuations. The Consolidated Legal Fund may also be used advantageously by funds that may be liquidated at some future time for building or similar purposes.

During the year 1960 the income earned was 45.86 cents per unit. On the basis of the last unit value of $10.61 on December 5th, the income yield would be 4.32%. The average purchase price of all outstanding units was $10.73 each, or an average yield of 4.26%.

The 32 participating funds are grouped below in accordance with size and amounts as of December 31, 1960, showing a total investment of $206,449.16. The participation has been increased by approximately $100,000 due to the transfer of Cemetery Funds.

APPENDIX L

REPORT OF THE CATHEDRAL CHAPTER

During the year several Diocesan affairs, notably the Service for the Presentation of the Missionary Offering, were held in the Cathedral or on its grounds. The Bishop and the Chapter are anxious for further growth in this direction and call to the attention of the Diocese the availability of the Cathedral and Chapter House for these and similar purposes.

The Chapter suffered during the year severe losses in the deaths of

The Reverend Dr. Charles E. Eder
and
Mr. James S. Merritt

both active in the work of the Chapter. We pray for them continued growth in God's love and service.

The Reverend James T. Berger, Vicar of the Congregation of St. Mary's Chapel in the Cathedral Foundation, was elected to the Chapter to succeed the late Reverend Dr. Eder and Mr. Harry C. Parker the late Mr. Merritt.

A Committee of the Chapter continues to consider the relationship of the Congregation of St. Mary's Chapel in the Cathedral Foundation to the Cathedral.

Respectfully submitted,

WILLIAM N. LANIGAN

Canon Registrar-Secretary

APPENDIX M

REPORT OF THE COMMISSION ON RECTORS' SALARIES AND PENSIONS

During 1960 one Parish relinquished its aid through the Commission, St. Bartholomew's Church, Wissonoming, and one new Parish received aid, Holy Nativity, East Germantown (West Oak Lane), making three, the same number as in 1959, as follows:

St. George's, West Philadelphia	$1,000.00
House of Prayer, East Germantown	933.30
Holy Nativity, East Germantown	1,500.00
Pension Premiums	683.42
Other expenses	754.28
	$4,871.00

The Commission advanced some pension assessments during the year, where there were delays in payments; but all such advances have been repaid.

We submit the usual Resolution:

"Resolved, that the Commission on Rectors' Salaries and Pensions be authorized to assess the Sustentation Fund for the year 1962 the sum of $5,000."

If this is adopted we wish to present another Resolution which contains a suggested departure in Diocesan procedure with reference to Aided Parishes.

The Commission at its meeting held April 14, 1961 requested the Chairman to present the following Resolution for the consideration of the Convention:

"Resolved, that the remaining Aided Parishes be transferred to the Department of Missions where they would be under the supervision of the Deans of their respective Convocations; and the Bishops be requested to appoint a Committee of three to confer with the Committee on Canons and to report their conclusions to the next Convention."

If this suggestion were adopted it would leave to this Commission its responsibility for the field of Pensions only.

The Convention will be interested to know that during 1960 the Church Pension Fund paid to its beneficiaries in the Diocese of Pennsylvania:

$ 94,471.56	to	45	Retired Clergy
9,128.52	to	4	Permanently Disabled Clergy
67,498.80	to	74	Widows
480.12	to	1	Child
a total of $171,579.00	to	124	Beneficiaries

The Grand Total of $3,695,483 was paid to 3,007 beneficiaries throughout the Church in 1960.

The Commission desires to place upon the record an expression of deepest appreciation for the devoted and unfailing services of its Secretary, Rev. Charles H. Long, D.D.

Signed,

STANLEY R. WEST, *Chairman*

DIOCESAN LIBRARY REPORT

During 1960, the Library subscribed to the "Anglican Theological Review," "The Christian Century," "The Churchman," "The Ecumenical Review," "The Episcopalian," "The Hibert Journal," "The Historical Magazine," "The Living Church," and "The Witness." Gift subscriptions were given by the Church Periodical Club of St. Luke's Church, Germantown, to "The American Church News," "The Anglican World," and "The Pan-Anglican." Our Diocesan Church News, and the Diocesan Chronicle of the Philippine Episcopal Church were also donated. All of these magazines were placed in the rack in Room 11 to be read by the clergy and laity of the Diocese.

Seventy-seven new books for our spiritual development and Christian education were chosen by the members of the Board of Control. The library is free to all clergy and laity of the Diocese. The only requirement is that the books be checked out and in at the Information Window, or with the Librarian Room 37, where the catalogue is located.

For the people's convenience, and promotion, our new books were listed in the Church News, and the usual annual list of new books was mailed to all the clergy, lay users, students and Episcopal Church Women Committee Chairmen. All the books were cleaned during the summer, and 74 books were rebound. An average of 80 books were out at a time.

Respectfully submitted,

CORPORATION FOR EPISCOPAL WORK IN EDUCATIONAL INSTITUTIONS WITHIN THE DIOCESE OF PENNSYLVANIA

The work of the Church in the educational institutions within the Diocese of Pennsylvania has been carried on this year by this Corporation with new vigor. Several new things have been instituted, many things have been continued and strengthened, and a few things unfortunately have necessarily been slowed down. On the whole, however, we are doing better than last year in our efforts to reach the members of the academic community.

Last year I outlined four areas of concern, and perhaps the best way to report to the Convention will be in terms of these areas.

1. Last year I stressed the importance of the parishes through which most of our work on the campuses is carried out, and I voiced the hope that these parishes would increasingly appreciate their responsibility and opportunity to minister to the campus in their neighborhood. The accomplishment of such awareness is necessarily a slow process, but gains have been made. In many parishes college students are feeling increasingly welcome, and in at least one case a vestry presented the ministery to the nearby campus as a major responsibility of the rector at the time they called him. It is important that college students are not treated as transient visitors, but are made to feel welcome in their college parish.

2. The second problem I outlined last year had to do with the commuter student and the commuter faculty member, who comprise almost half of our student and faculty population. A major advance in this area was made when we successfully applied to the Children's Missionary Offering of last year for a capital grant of $8,000.00 as our share in the establishment of a Faith and Life Community on the campus of Temple University. This represents approximately one-third of the Children's Offering from this Diocese which returned for work here. The Faith and Life Community is a somewhat daring experiment in an attempt to reach effectively the commuter student. The Episcopal Church can be proud of the fact that we were the first to appropriate our full share of this endeavor. The success of this enterprise will

doubtless lead to the establishment of such centers on other campuses.

3. The third area of concern had to do with stressing the importance of helping the Christians on the campus, both faculty and students, become increasingly articulate members of the Church. It is only through these persons, who are in fact the Church on the campus, that the Church can truly witness. To this end we have revived student and faculty conferences on an annual basis. Bishop J. Brooke Mosley of the Diocese of Delaware did an exceptionally fine job at the student conference in December, and the Reverend Richard K. Toner, Associate Professor of Chemical Engineering at Princeton University, made an equally effective presentation at the faculty conference in March. We are offering scholarship help to students and faculty who wish to attend provincial and national conferences working toward the same end. We have involved to a lesser degree ourselves, as members of the Corporation, and the college clergy in similar discussions, and we have formed diocesan steering committees of both students and faculty.

4. Fourth, there is the area of the professional and graduate schools. We have submitted a proposal to one of the medical centers for the establishment of a specialized chaplaincy and are awaiting their decision. We have strengthened our contacts with two of the art schools, and I have participated in ecumenical conferences for medical and nursing students in the Philadelphia area.

Another matter which I would like to bring to your attention is the great amount of ecumenical work which we support on the campuses of this Diocese. We are represented on the advisory boards of five such interdenominational situations, and the director himself is currently president of the Metropolitan Strategy Committee, which is the group of denominational representatives which consults on the overall work of the Protestant churches in metropolitan Philadelphia colleges; and chairman of the Temple University Protestant Advisory Board, which oversees the work at Temple University, and in particular, the new Faith and Life Community mentioned above.

Finally, I would like to pay tribute to the members of the Corporation for their devotion and support of our work, to the college clergy who give of their time, to the parishes who understand their responsibilities to the campus and therefore support their rector in his ministry there, and to the many people in the Diocese who support us with their prayers and their contributions to our annual financial campaign. The work of the Church in the academic community of this Diocese goes on and will continue to bear fruit through the continued efforts and support of the whole Diocese, and with the help of God.

Director of College Work

PAROCHIAL HISTORY REPORT

To date, less than thirty-five Parishes and Missions have responded to your Committee's request for historical data. A year and a half ago letters were mailed to all of the clergy of the Diocese and announcements made at the Diocesan Conventions and Convocations.

Why this repeated appeal? The answer is plain. When the Church Historical Society moved its Headquarters to Austin, Texas, irreplaceable documents and records of this Diocese, from Colonial times, were surrendered.

What is past, is past. However, the 175th anniversary of the Diocese seemed an appropriate time to arouse a new interest and your Committee expressed the hope that there would be a Diocesan-wide effort made to recover copies of historic records and, also, data of present-day interest.

We requested printed histories or typed articles, giving the name, address and date of founding of each Parish or Mission. Also, as of May 1, 1959, the names of Rectors, Curates, Vicars, etc. and the listing of all Parish and Mission organizations, with the names of all officers.

In conclusion, we ask you to read our Report in the 1960 Diocesan Journal—page 271—for further details. Please read—and respond.

APPENDIX T

REPORT OF EXPLORATORY COMMITTEE TO 1961 DIOCESAN CONVENTION

The 1957 Convention of the Diocese adopted the following resolution:

> "WHEREAS, Churchmen are deeply concerned over the needs of infirm and chronically ill persons, and
>
> WHEREAS there is a quickening of interest in those living in commercial convalescent and nursing homes, be it
>
> RESOLVED, that this Convention request the Department of Christian Social Relations to make recommendations to the members of this Diocese concerning how they might more effectively meet the needs of infirm and chronically ill persons."

The perceptive response to this resolution, presented to the 1958 Convention by the Rev. Stanley R. West, D.D., suggested closer cooperation between the church-related agencies working in this field. It was reported to the 1959 Diocesan Convention that a significant meeting of representatives of these agencies had taken place. The following winter, Bishop Hart invited these agencies to meet with him to explore how together they might more effectively meet needs in this area of mutual concern.

The response to Bishop Hart's invitation resulted in the establishment of the Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill, composed of three representatives of each of the undersigned agencies, and members of the Department of Christian Social Relations Committee on Church Related Health and Welfare Services. This Exploratory Committee has met frequently since that time at the call of the Bishop of the Diocese, and under his effective chairmanship. The agencies which comprise the committee surveyed their own existing facilities and tabulated findings.

Four subcommittees, comprising fifty-six persons, considered Admissions Policies; Volunteers and Auxiliary Services; Medical and Nursing Care; and Unmet Needs. The findings of these sub-committees were discussed by the entire Exploratory Committee.

A questionnaire sent to the clergy of the Diocese to survey their estimate of the needs of the aging and chronically ill in the Diocese received a gratifying response from over half the clergy, whose constituents number almost two-thirds of the communicants in the Diocese.

Conference with Miss Harriet Bury, Consultant on the Aging of the Health and Welfare Council, further indicated the need for facilities in which the

aging and chronically ill would not be segregated by sex, and facilities in which policies limiting admissions to the "well aging" would be re-studied.

The consultations with the Rev. Herbert C. Lazenby, Ph.D., consultant on the Aging from the National Council of the Episcopal Church, were particularly helpful to the Exploratory Committee in its thinking in terms of a new facility for the infirm and chronically ill where skilled nursing care would be available with a view to rehabilitation for a return to normal life in the community, but assuring skilled nursing and medical care for as long as needed.

From these activities has evolved a philosophy on the care of the aging and chronically ill stated succinctly by the Rev. Warren H. Davis, Jr., as follows:

> "The concern of older persons is that they have freedom to continue a meaningful life in our society.
>
> I. Our first principle is then that we encourage older persons not to greater dependence in common living quarters, but to possible adjustments where they are now living. The primary responsibility rests with families, friends and parishes of these persons, with visitation, casework and other services as needed.
>
> II. A second principle is that the Christian community must provide assurance of care to those touched by illness or disability. Such care must be immediately available, in order that well older persons need no longer live in fear of the future 'if something should happen to me.'
>
> This means immediate admission to church related agencies at the time of need, with the hope of restoration to the community, or, failing this, with a commitment to care until death, regardless of the cost to the Christian community."

The Exploratory Committee, therefore, agreed that the first priority should be a facility for the care of the infirm and chronically ill available without restrictions as to minimum age, race, sex, or personal resources to all constituents of the Diocese.

At this stage the deliberations of the Exploratory Committee were affecting the thinking of the Board of the Episcopal Community Services (formerly the City Mission) particularly in its study of the operations of its institutions.

All Saints' Hospital began its life in 1877 as the first facility in Pennsylvania for the treatment of tuberculosis. In 1957 it again pioneered in the care of the

sick in special need when it opened its Chronic Disease Unit on an experimental basis. The capacity was 28 beds.

The essentially Christian concept of treating the patient as a whole person was inherent in the program from its inception. This is accomplished through the use of a therapy team consisting of the physicians, nurses, chaplain, occupational therapists, physiotherapists, social worker and dietitian. Through weekly meetings of the therapy team a program of care for each patient is developed. Wherever possible rehabilitation of the patient is attempted and when feasible return to the community encouraged.

A third cottage was assigned to the Chronic Disease Unit at the end of 1959, thus expanding the Unit to 46 beds. The program is proving itself day by day. A total of 192 persons were treated in 1960 in the Chronic Disease Unit. Depending upon their conditions, needs, and the results of treatment, some patients remained in the hospital a short time while others were there for long periods of time.

Episcopal Community Services, which owns and operates All Saints' Hospital, has been reconsidering its plans for the development of services for the chronically ill and aging in the light of the findings of the Exploratory Committee.

In order to meet at least in part Priority No. 1 as set down by the Exploratory Committee, namely the provision for additional facilities for the infirm and chronically ill aging, Episcopal Community Services proposes to build a completely new 120-bed general chronic disease hospital to replace the present obsolete plant. Episcopal Community Services is the official health and welfare agency of the Diocese; hence the Diocese will have under its control a modern hospital having the following characteristics:

(a) A 40-bed intensive treatment hospital unit excluding only operating rooms.

(b) An 80-bed nursing care unit providing a graduated degree of skilled nursing care. A number of patients who have received maximum rehabilitation still need a degree of skilled nursing care and medical supervision beyond that usually available in nursing homes. Such a skilled nursing unit would provide care at a lower cost than in the hospital program but yet would have the advantages of being a part of the hospital.

(c) Patients could be transferred from the hospital unit to the skilled nursing care unit and vice versa.

(d) Patients from other church related homes would be admitted to either unit, as would patients from the community.

(e) Out-patient care would be offered to people in need of it.

(f) A small tuberculosis unit would be maintained as long as needed.

(g) The buildings would be designed in accordance with the most up to date knowledge of what promotes the efficient use of nursing and other services.

(h) The total program would be developed in a way which would warrant the continued accreditation by the Joint Committee on Accreditation of Hospitals, which is the body that sets standards for hospitals in the United States and Canada. This joint committee warmly approves the program of All Saints' Hospital and highly encourages the development of improved facilities.

(i) Christian convictions about the nature of man as a child of God would underlie the ministry to the whole person and the team approach which emphasizes the supreme worth of each individual.

A venture of such magnitude requires the whole-hearted support of the entire Diocese.

Therefore, it is the recommendation of the Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill that the Diocese of Pennsylvania, at this 1961 Diocesan Convention, adopt the following resolution:

"WHEREAS, the care of the aging, the infirm, and the chronically ill is an imperative concern of the church people of the Diocese of Pennsylvania; and

WHEREAS, the Agencies in the Diocese Serving the Aging and Chronically Ill believe that the first priority is an adequate facility for the infirm and chronically ill; and

WHEREAS, the Board of Council of the Episcopal Community Services of the Diocese of Pennsylvania has geared its plans for All Saints' Hospital with a view to meeting this first priority; therefore,

BE IT RESOLVED that this 177th Convention of the Diocese of Pennsylvania hereby authorize a Capital Funds Drive as a campaign of this Diocese, and addressed to its parishes, missions, and communicants, and also to such other community resources as might be available to meet this need; and

BE IT FURTHER RESOLVED, that this Convention instruct the Board of Council of the Episcopal Community Services of the Diocese of Pennsylvania to execute this Capital Funds Drive as a campaign of this Diocese with all due dispatch, calling upon other members of the Diocese as needed, but subject at all times to the supervision of the Executive Council."

Addressing ourselves to this first priority does not exhaust the need for cooperative effort along still other lines by the agencies in the Diocese serving the aging and chronically ill. The work of the Exploratory Committee needs to be continued and, indeed, expanded.

Creating the facility which this Capital Funds Drive would make possible accentuates the need which all Health and Welfare agencies in the Diocese have for operating funds, and the wisdom of a united annual appeal for this purpose. The Exploratory Committee would further recommend that the Bishop now appoint a committee to study this question and make regular reports of its findings to him.

APPENDIX U

REPORT FROM THE EPISCOPAL CHURCHWOMEN

To begin with, let me state that I find evidence of no sudden, dazzling development in the work of the Churchwomen of the Diocese, but I think there are some indications of solid, sturdy growth. There is, for example, a noticeable increase in the number of parish groups participating not only in the General Church Program as we receive it from National Council, but also in the events and concerns that are distinctly diocesan. Our office has been made aware of this by the ever increasing demands for study materials and sewing supplies. For example, two of our special-emphasis or Keynote topics suggested this year centered on Peter Day's *Saints on Main Street,* and for Lent we advised a review of the Church's Teaching Series volume on *The Faith of the Church.* Ninety-five copies of the latter were sold and 77 of the accompanying Leaders' Guides. Of the Peter Day book also 108 copies were put into circulation. Since these purchases represent for the most part *parishes,* not people,—we know that the approval and cooperation of Rectors may have had some bearing on this, and we're grateful! But,—on the other hand we cannot credit the gentlemen entirely for the astronomical quantities of sewing supplies that went out from our Cutting Room.

A minor, but delightful innovation this year has been the occasional arrival of touring parish groups, come to explore for themselves the mysteries of the Church House. Dr. Long, I am told, played Thomas Cook to one such group, to great effect. It is not unlikely that motivation for these visits came from *A Guide for Episcopal Churchwomen,* published by our office last June. This booklet is proving valuable to parish officers, present and future, and, judging by the rate at which it is disappearing from our shelves, a real need is being met. Obviously not even clergy should be without a *Guide!*

It was only two years ago that a very small group of women met a few times in the Church House for Ecumenical Conversations. Last year, rather experimentally, the parishes were invited to send representatives to two meetings where Ecumenicity would be the topic. Such lively interest and discussion evolved from these meetings that this year the Ecumenical Movement was made the third of our annual Keynote Programs. In January parish delegates were addressed by the Rev. James W. Kennedy, Secretary of the

Joint Commission on Ecumenical Relations of our National Council, and it *might* be entirely coincidental that in the same month, following Dr. Kennedy's visit, Bishop Hart appointed a *Diocesan Committee* on Ecumenical Relations, with our Mrs. C. Stanley Rogers as one of its three members.

Though women's work in the Church has widened and deepened immeasurably since it was first organized as the Female Missionary Society, about 100 years ago, and informed, responsive concern for every field and form of Mission is still our greatest over-all interest. Bishop Armstrong and the Deans of Convocations will testify, I feel certain, not only to the personal interest shown by the women in the Missions of the Diocese, but also to the *special* funds amounting to six or seven thousand dollars yearly put by the women at the Deans' disposal.

Diocesan-wise the women seem to be showing up in greater strength in many spots. The Divinity School is receiving more and more of their time and attention. To our mutual benefit the Churchwomen's Annual Corporate Communion and Breakfast was held there this year. A heroic delegation arrived by chartered bus from Chester for the eight o'clock service. Under Mrs. Blackwell Newhall the Bishop's Committee is working zealously and fruitfully not only in acquiring new friends and supporters for the Seminary, but in beautifying the grounds and finding furnishings for the student's lounge in the new wing. Similarly, a committee is at work for Episcopal Community Services, to make the many ramifications of its work known in the parishes, as well as adding the proverbial woman's touch to the historic old headquarters.

Missionary zeal is manifested again in the great strides being made by the Church Periodical Club under Mrs. James Ludwig. Mrs. Ludwig reports that our diocese leads the nation for the second successive year in magazine subscriptions given, as well as in dollars transmitted to the National Book Fund. A Festival Dedication Service and Tea for Parish C.P.C. Directors was held at St. Marks Church—a highly impressive and beautiful occasion.

You will rejoice with us that our Lea Hill Scholarship Fund for training women in Church work, is now in good use. We have reports from Dr. Mott at Windham House that our 1st year student there is doing well; and at our most recent Board Meeting another scholarship was voted, after very careful consideration, to a young woman from this Diocese who has been accepted for

graduate work at St. Margaret's in Berkeley, California. This is the same student who, with our financial assistance, last summer completed most successfully an apprenticeship course at Newport, R. I.

The Board also voted partial aid to Miss Emily Stanford, who will take a special traning course at E.T.S. this summer, thus equipping herself for even greater service to the Christian Education Department of this Diocese.

Clearly it would be cruel to us all to review here the progress of each Department of the Diocesan Churchwomen. I hope it is significant that the best illustration of the present condition of our work is to be found in the record of the Department of Prayer and Worship. It has come to be familiarly known by some of us as the Department of Prayer & Workshop, because of the great success they had with area workshops dispersed throughout the Diocese. Indeed other departments are wondering now how to adapt the principle to their various needs. A retreat at the Conference Center in October conducted by Dr. Sparkman, was oversubscribed and would-be retreatants turned away. In addition to their regular meetings at the Church House for parish representatives, and the customary Advent Quiet Morning, the Department Members themselves conducted a Quiet Day at Radnor for the women of the Bryn Mawr Presbyterian Church, and, also at the Conference Center, presented a Prayer Workshop for the United Churchwomen of the Greater Philadelphia Council of Churches. They gave twenty one talks in parishes on "The Faith of the Church," on "Personal Prayer," on Prayer Groups.

Finally I have an entirely different translation of Women's Work, and possibly the most appealing to Vestrymen,—if any are present—Here are a few figures for the year just passed.

The United Thank Offering last fall amounted to $35,900.00, the largest ever presented in this Diocese.

TOTAL RECEIPTS, 1960

For various departments	$ 56,912.10
For U.T.O.	66,374.19
Total (for 1960)	$123,286.29

This compared with total of $116,607.59 for 1959 shows an increase of $6,678.71.

APPENDIX V

REPORT OF THE COMMITTEE ON THE FUND FOR THE EPISCOPATE

The work of publicizing the existence, objectives and usefulness of the Fund, together with its importance to our Diocese, was continued throughout the year 1960 by (1) sending out 6,166 letters to rectors and laymen, and (2) by distributing 6,665 leaflets to individuals and Parishes.

During the year, contributions were received from 93 individuals, in the amount of $21,280.00, as well as from the Bishop's Fund and from the estates of Samuel Houston as well as Miss Helen M. Zebley. Notice of two bequests totalling $11,000.00 was received from estates in administration, but they are not reflected in the 1960 figures, since they have not yet been paid.

The book value of the Fund at the close of 1960 was $713,400.00 compared with $685,000.00 at the end of 1959, an increase of $28,400.00.

An encouraging increase in the number of individual contributions and of parishes using our special gift envelopes indicates that the tireless efforts of Mr. Fell, the resourceful secretary of the Committee, are beginning to produce results. Seventy parishes expressed a willingness to use our special envelopes in 1961 and requested 17,800 of them.

Bishop Hart has expressed the desire that the Fund might be materially increased before he retires, which it is hoped will have the thoughtful consideration of every rector and parishioner.

We know that the Rectors have received many appeals but it is our earnest hope that the appeal of the Fund for the Episcopate will receive their hearty support and that they will encourage members of their congregation to remember this Fund by contributions and in their wills.

We report with deep regret the loss by death of Robert T. McCracken, Esquire, who has long been a member of this Committee and whose keen advice and assistance will be greatly missed.
